III. Registration

The registration fee is $650 per person per seminar. The registration fee will be used to offset the expenses of hosting the conference, including meals (breakfasts and a lunch), refreshments, meeting rooms, and training materials. It also includes a networking reception on the evening of the first day of each seminar.

To register and pay by personal check: Send your registration information (including name, title, firm name, address, telephone, and fax number) to Katia Kunze, Advamed, 202–344–7237, FAX: 202–783–8750, or email kkunze@advamed.org. Katia Kunze will then provide you with information on how to pay your registration fee by check.

To register and pay via the Internet: Visit the designated Web site for the seminar that you plan to attend (see Table 1 of this document). Payment forms accepted are major credit card (MasterCard, Visa, or American Express).

Space is limited; therefore, interested parties are encouraged to register early. If you need special accommodations due to a disability, please contact Veronica Allen (see For Further Information Contact) at Advamed at least 7 days in advance of the seminar.

Attendees are responsible for their own accommodations. For hotel information and meeting locations, see Table 1 of this document. There are a limited number of hotel rooms blocked for the seminars. Please be advised that the seminar room blocks close 1 month before the beginning of the seminar. Interested parties are encouraged to make hotel reservations early, as the seminar room block will fill up quickly.

Jeffrey Shuren,
Associate Commissioner for Policy and Planning.

U.S. Customs and Border Protection

Accreditation and Approval of SGS North America, Inc., as a Commercial Gauger and Laboratory

ACTION: Notice of accreditation and approval of SGS North America, Inc., as a commercial gauger and laboratory.

SUMMARY: Notice is hereby given that, pursuant to 19 CFR 151.12 and 19 CFR 151.13, SGS North America, Inc., 1448 Texas Ave., Texas City, TX 77590, has been approved to gauge and accredited to test petroleum and petroleum products, organic chemicals and vegetable oils for customs purposes, in accordance with the provisions of 19 CFR 151.12 and 19 CFR 151.13. Anyone wishing to employ this entity to conduct laboratory analyses and gauger services should request and receive written assurances from the entity that it is accredited or approved by the U.S. Customs and Border Protection to conduct the specific test or gauger service requested. Alternatively, inquiries regarding the specific test or gauger service this entity is accredited or approved to perform may be directed to the U.S. Customs and Border Protection by calling (202) 344–1060. The inquiry may also be sent to cbp.labhq@dhs.gov. Please reference the Web site listed below for a complete listing of CBP approved gaugers and accredited laboratories.

DATES: The accreditation and approval of SGS North America, Inc., as commercial gauger and laboratory became effective on February 12, 2009. The next triennial inspection date will be scheduled for February 2012.
