

In assessing the implementation of health IT, comments about the impact of particular health IT applications on different domains of a practice or clinic are requested. Thus, we would appreciate comments on how health IT has impacted or supports:

- Communication among practice or clinic staff (e.g., physician, nurse, medical assistant, physician assistant, receptionist, technician).
- Coordination of care among practice or clinic staff (e.g., physician, nurse, medical assistant, physician assistant, receptionist, technician).
- Information flow between the practice or clinic and external healthcare organizations (e.g., community pharmacies, imaging centers, local hospitals).
- Clinicians' work during patient visit.
- Clinicians' thought processes as they care for patients.
- Access to patient-related information.

Additional Submission Instructions

Responders should identify any information that they believe is confidential commercial information. Information reasonably so labeled will be protected in accordance with the FOIA, 5 U.S.C. 552(b)(4), and will not be released by the agency in response to any FOI requests. It will not be incorporated directly into any requirements or standards that the agency may develop as a result of this inquiry regarding useful tools or information for small- and medium-sized medical practices regarding implementation of health information technology in such practices.

DEPARTMENT OF HOMELAND SECURITY

Office of the Secretary

[Docket No. DHS-2008-0167]

Privacy Act of 1974; DHS/All-026 Personal Identity Verification Management System Systems of Records

AGENCY: Privacy Office; DHS.

ACTION: Notice of Privacy Act system of records.

SUMMARY: The Department of Homeland Security (DHS) is giving notice that it proposes to update, rename, and reissue the record system DHS/OS-2 Personal Identity Verification Management System (9/12/2006) to the DHS/All-026 Personal Identity Verification Management Record System. DHS is publishing this updated notice because the categories of individuals and categories of records have been updated, and the routine uses of this system of records notice have been updated to coincide with updates to DHS's Personal Identity Verification Management Record System. The system will support the administration of the Homeland Security Presidential Directive 12 (HSPD-12) program that directs the use of a common identification credential for both logical and physical access to Federally controlled facilities and information systems.

DATES: Written comments must be submitted on or before July 27, 2009.
