

certify compliance with the eligibility requirement of VOCA, and to provide a summary of supported activities carried out within the State during the grant period. This information will be aggregated and serve as supporting documentation for the Director's biennial report to the President and to the Congress on the effectiveness of the activities supported by these grants.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* The information to compile these reports will be drawn from victim assistance program data to the 57 respondents (grantees). The number of victim assistance programs varies widely from state to state. A state could be responsible for compiling subgrant data for as many as 391 programs (Ohio) to as few as 12 programs (District of Columbia). Therefore, the estimated clerical hours can range from 1 to 70 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The current estimated burden is 1,197 (20) hours per respondent (estimate median) + 1 hour per respondent for recordkeeping × 57 respondents = 1,197. There is no increase in the annual recordkeeping and reporting burden.
