Pacific Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The Pacific Fishery Management Council's (Council) Ad Hoc Salmon Plan Amendment Committee (SPAC) will hold a meeting to initiate planning and develop draft alternatives for an amendment to the Salmon Fishery Management Plan (FMP) to address the Magnuson-Stevens Act (MSA) requirements for annual catch limits (ACL) and accountability measures (AM). This meeting of the SPAC is open to the public.

DATES: The meeting will be held Tuesday, August 4, 2009, from 8:30 a.m. to 5 p.m. and Wednesday August 5, 2009, from 8:30 a.m. to 3 p.m.

ADDRESSES: The meeting will be held at the National Marine Fisheries Service Southwest Fisheries Science Center, 110 Shaffer Road, Santa Cruz, CA 95060; telephone: (831) 420-3900.

FOR FURTHER INFORMATION CONTACT: Mr. Chuck Tracy, Salmon Management Staff Officer, Pacific Fishery Management Council, telephone: (503) 820-2280.

SUPPLEMENTARY INFORMATION: The reauthorized MSA established new requirements to end and prevent overfishing through the use of ACL and AM. Federal FMPs must establish mechanisms for ACL and AM by 2010 for stocks subject to overfishing and by 2011 for all others, with the exceptions of stocks managed under an international agreement or stocks with a life cycle of approximately one year.

On January 16, 2009, NMFS published amended guidelines for National Standard 1 (NS1) of the MSA to provide guidance on how to comply with new ACL and AM requirements. The NS1 Guidelines include recommendations for establishing several related reference points to ensure scientific and management

uncertainty are accounted for when management measures are established.

The purpose of this meeting is to develop recommendations for the scope of issues to be addressed in the FMP amendment process and to develop a work plan and begin drafting alternatives to address those issues.

Although non-emergency issues not contained in the meeting agenda may come before the SPAC for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Ms. Carolyn Porter at (503) 820-2280 at least 5 days prior to the meeting date.

Dated: July 1, 2009.

Tracey L. Thompson,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

SUPPLEMENTARY INFORMATION:

Case History

On January 26, 2009, the Department received the petition for the imposition of countervailing duties filed in proper form by the petitioner.¹ This investigation was initiated on February 17, 2009. See *Ni-Resist Piston Inserts From Argentina and the Republic of Korea: Initiation of Countervailing Duty Investigations*, 74 FR 8054 (February 23, 2009) (*Initiation Notice*), and accompanying Argentina Initiation Checklist.² On March 20, 2009, the Department postponed the deadline for the preliminary determination by 65 days to no later than June 29, 2009. See *Ni-Resist Piston Inserts From Argentina and the Republic of Korea: Notice of Postponement of Preliminary Determination in the Countervailing Duty Investigations*, 74 FR 11910 (March 20, 2009).

Normally for an investigation, the Department selects a respondent(s) based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the period of investigation (POI). In this case, the Harmonized Tariff Schedule of the United States (HTSUS) category that includes subject merchandise is broad and includes products other than products subject to this investigation. We thus determined that such CBP data would not be informative to our respondent selection. In the petition, petitioner identified Clorindo Appo SRL (Clorindo) as the sole Argentine producer/exporter of subject merchandise to the United States during the POI. We did not receive comments from interested parties on respondent selection. Therefore, we selected Clorindo as the mandatory respondent in this investigation. See Memorandum from the Team through Melissa Skinner, Director, AD/CVD Operations Office 3, to John M. Andersen, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, titled "Respondent Selection" (March 4, 2009).

On March 4, 2009, we issued the initial countervailing duty (CVD) questionnaire to the Government of Argentina (GOA) and Clorindo. On March 4 and 27, 2009, petitioner submitted new subsidy allegations. On March 20 and April 6, 2009, the

¹ Petitioner is Korff Holdings, LLC d/b/a Quaker City Castings.
