RIN 2120–AG87

**Revisions to Digital Flight Data Recorder Regulations for Boeing 737 Airplanes and for All Part 125 Airplanes**

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule; correction.

**SUMMARY:** The Federal Aviation Administration (FAA) is amending a final rule published in the **Federal Register** on December 2, 2008. That final rule amended the regulations governing flight data recorders to increase the number of digital flight data recorder parameters for all Boeing 737 series airplanes manufactured after August 18, 2000. The rule also adopts a prohibition on deviations from flight recorder requirements for all airplanes

operated under part 125. In our changes to part 125, the FAA incorrectly referenced the appendix containing airplane flight recorder specifications as appendix M when it is actually appendix E.

**DATES:** *Effective Date:* These amendments become effective July 9, 2009.

**SUPPLEMENTARY INFORMATION:** The Federal Aviation Administration published a final rule entitled “Revisions to Digital Flight Data Recorder Regulations for Boeing 737 Airplanes and for All Part 125 Airplanes” in the **Federal Register** on December 2, 2008 (73 FR 73171). That final rule amended the regulations governing flight data recorders to increase the number of digital flight data recorder parameters for all Boeing 737 series airplanes manufactured after August 18, 2000. The rule also adopted a prohibition on deviations from flight recorder requirements for all airplanes operated under part 125.

Following publication of the final rule, an individual contacted us noting that the amended language in § 125.226(f)(1) references “appendix M to this part” when the correct appendix is appendix E. Upon reviewing our other changes to part 125, we noted the same incorrect reference in the amended language of § 125.226(n).

This document makes the appropriate amendatory changes to §§ 125.226(f)(1) and 125.226(n) to correctly reference appendix E to part 125.

**Correcting Amendment**

This correcting amendment will clarify the references to appendix E to part 125 in §§ 125.226(f)(1) and 125.226(n).
