

Date	Location	Transmission provider participants
		Those wishing to participate as a panelist and provide feedback on the planning issues described above should submit a request form by close of business on August 31, 2009, located at: https://www.ferc.gov/whats-new/registration/trans_09_21_speaker_form.asp .

A further notice with a detailed agenda for each conference will be issued in advance of the conferences. In the event a transmission provider is uncertain as to which technical conference is the appropriate forum for discussion of its planning process, such transmission providers should contact Commission staff in advance to discuss the matter. Lastly, a comment date will be set at a later date allowing for the filing of post-conference comments.

For further information about these conferences, please contact:

[Project No. 12615-001—Alaska Soule River Hydroelectric Project]

Alaska Power & Telephone Company; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places

June 30, 2009.

Rule 2010 of the Federal Energy Regulatory Commission's (Commission)

Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.¹ The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission staff is consulting with the Alaska State Historic Preservation Officer (hereinafter, SHPO) and the Advisory Council on Historic Preservation (hereinafter, Council) pursuant to the Council's regulations, 36 CFR part 800, implementing section 106 of the National Historic Preservation Act, *as amended*, (16 U.S.C. 470f), to prepare and execute a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places at the Soule River Hydroelectric Project No. 12615-001.

The programmatic agreement, when executed by the Commission and the SHPO, would satisfy the Commission's section 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated (36 CFR 800.13[e]). The Commission's responsibilities, pursuant to section 106 for the Soule River Hydroelectric Project, would be fulfilled through the programmatic agreement, which the Commission proposes to draft in consultation with certain parties listed below. The executed programmatic agreement would be incorporated into any Order issuing a license.

Alaska Power & Telephone Company, as applicant for the Soule River Hydroelectric Project No. 12615-001, is invited to participate in consultations to develop the programmatic agreement.

For the purpose of commenting on the programmatic agreement, we propose to restrict the service list for the aforementioned project as follows:

¹ 18 CFR 385.2010.
