

we will publish it in a **Federal Register** notice and provide the Secretariat's website URL. We will also provide the provisional agenda on our website at <http://www.fws.gov/international>.

The United States will submit any species proposals, and proposed resolutions, decisions, and agenda items for consideration at CoP15 to the CITES Secretariat 150 days prior to the start of the meeting (i.e., tentatively by mid-October, 2009). We will consider all available information and comments, including those received in writing during the comment period, as we decide which species proposals, and proposed resolutions, decisions, and agenda items warrant submission by the United States for consideration by the Parties. Approximately 4 months prior to CoP15, we will post on our website an announcement of the species proposals, and proposed resolutions, decisions, and agenda items submitted by the United States to the CITES Secretariat for consideration at CoP15.

Through an additional notice and website posting in advance of CoP15, we will inform you about preliminary negotiating positions on resolutions, decisions, and amendments to the Appendices proposed by other Parties for consideration at CoP15. We will also publish an announcement of a public meeting tentatively to be held approximately 2 months prior to CoP15, to receive public input on our positions regarding items submitted by other Parties.
