

a Statement of Supporting Justification as required by 39 CFR 3020.32; and (5) certification of compliance with 39 U.S.C. 3633(a).² Substantively, the Request asks the Commission to add the Express Mail Contract 4 product to the Competitive Product List. *Id.* at 1–2.

In the Statement of Supporting Justification, Mary Prince Anderson, Manager, Sales and Communications, Expedited Shipping, asserts that the service to be provided under the contract will cover its attributable costs, make a positive contribution to institutional costs, and increase contribution toward the requisite 5.5 percent of the Postal Service's total institutional costs. *Id.*, Attachment D. Thus, Ms. Anderson contends there will be no issue of subsidization of competitive products by market dominant products as a result of this contract. *Id.*

Related contract. A redacted version of the specific Express Mail Contract 4 is included with the Request. The contract is for 3 years and is to be effective the day following the date on which the Commission provides all necessary regulatory approvals. The Postal Service represents that the contract is consistent with 39 U.S.C. 3633(a) and 39 CFR 3015.7(c). *See id.*, Attachment to Governors' Decision and Attachment E. It notes that performance under this contract could vary from estimates, but concludes that the risks are manageable, and overall the contract is expected to generate significant contribution. *Id.*, Attachment to Governors' Decision.

The Postal Service filed much of the supporting materials, including the Governors' Decision and the specific Express Mail Contract 4, under seal. In its Request, the Postal Service maintains that the contract and related financial information, including the customer's name and the accompanying analyses that provide prices, terms, conditions, and financial projections should remain under seal. *Id.* at 2–3.
