#### **Weyerhaeuser NR Company, Raymond Lumbermill, Raymond, WA; Notice of Affirmative Determination Regarding Application for Reconsideration**

By application dated June 23, 2009, the International Association of Machinists and Aerospace Workers, Woodworkers District Lodge W1 requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA) applicable to workers and former workers of the subject firm. The determination was issued on June 5, 2009. The Notice of Determination was published in the **Federal Register** on June 18, 2009 (74 FR 28961).

The initial investigation resulted in a negative determination based on the finding that imports of softwood dimensional lumber (hemlock) did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioner provided additional information regarding imports of softwood dimensional lumber and alleged that the subject firm might have increased imports of softwood dimensional lumber in the relevant period.

The Department has carefully reviewed the request for reconsideration and the existing record and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

#### **Conclusion**

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department

of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 6th day of July 2009.

#### **Kelsey-Hayes Company, a Subsidiary of TRW Automotive Holdings Corporation, Including On-Site Leased Workers From Volt Technical Resources, Livonia, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on February 4, 2009, applicable to workers of Kelsey-Hayes Company, a subsidiary of TRW Automotive Holding Corporation, Livonia, Michigan. The notice was published in the **Federal Register** on March 3, 2009 (74 FR 9282).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in administrative functions and product engineering support for automotive components.

New information shows that workers leased from Volt Technical Resources were employed on-site at the Kelsey-Hayes Company, a subsidiary of TRW Automotive Holdings Corporation, Livonia, Michigan. Based on these findings, the Department is amending this certification to include workers leased from Volt Technical Resources employed on-site at the Kelsey-Hayes Company, a subsidiary of TRW Automotive Holdings Corporation, Livonia, Michigan.

The amended notice applicable to TA-W-64,628 is hereby issued as follows:

All workers of Kelsey-Hayes Company, a subsidiary of TRW Automotive Holdings Corporation, including on-site leased workers from Volt Technical Resources, Livonia, Michigan, who became totally or partially separated from employment on or after December 8, 2007, through February 4, 2011, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 30th day of June 2009.
