

filed, the President direct the Department of Commerce and the Department of Labor to provide expedited consideration of trade adjustment assistance for workers and/or firms affected by imports of Chinese tires. USTR proposes this remedy for further consideration by domestic producers, importers, exporters, and other interested parties, and invites any of these parties to submit their views and evidence on the appropriateness of the proposed remedy and whether it would be in the public interest. In addition, USTR invites comments on other possible actions, including: imposing an additional duty on imports of Chinese tires at a rate, and/or for a period, different from the ITC recommendation; imposing a tariff-rate quota on imports of Chinese tires; imposing a quota on imports of Chinese tires; an import monitoring mechanism; or no import relief (pursuant to a determination under Section 421(k) of the Trade Act regarding the national economic interest or national security). In commenting on other possible actions, interested parties are requested to address the appropriateness of any other proposed action and how it would be in the public interest, and address: (i) The short- and long-term effects the proposed action is likely to have on the domestic passenger vehicle and light truck tires industry, other domestic industries, and downstream consumers, and (ii) the short- and long-term effects that not taking the proposed action is likely to have on the domestic passenger vehicle and light truck tires industry, its workers, and on other domestic industries or communities.

USTR will inform parties that have submitted comments and/or requested to testify at any public hearing if a hearing is to be held. In addition, information on any public hearing may be obtained by contacting Sandy McKinzy, Legal Technician, at (202) 395-9483. If a public hearing is requested, it will be held on August 7, 2009, at 9:30 a.m. in Rooms 1 and 2, 1724 F Street, NW., Washington, DC. Requests to testify must include the following information: (1) Name, address, telephone number, fax number, and firm or affiliation of the person wishing to testify; and (2) a brief summary of the comments to be presented.

3. Requirements for Submissions

To submit requests or comments via <http://www.regulations.gov>, enter docket number USTR-2009-0017 on the home page and click "go". The site will provide a search-results page listing all documents associated with this docket.

Find a reference to this notice by selecting "Notice" under "Document Type" on the left side of the search-results page, and click on the link entitled "Send a Comment or Submission." (For further information on using the <http://www.regulations.gov> Web site, please consult the resources provided on the Web site by clicking on "How to Use This Site" on the left side of the home page.)

The <http://www.regulations.gov> Web site provides the option of making submissions by filling in a "General Comments" field, or by attaching a document. We expect that most submissions will be provided in an attached document. If a document is attached, it is sufficient to type "See attached" followed by (as appropriate) "Written Comments", "Request for Public Hearing", or "Request to Testify" in the "General Comments" field.

Submissions in Microsoft Word (.doc) or Adobe Acrobat (.pdf) are preferred. If you use an application other than those, please identify the application in your submission. For any document submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC", and the file name of the public version should begin with the character "P". The "P" or "BC" should be followed by the name of the submitter. If you submit comments that contain no business confidential information, the file name should begin with the character "P", followed by the name of the submitter. Submissions should not attach a separate cover letter; rather, information that might appear in a cover letter should be included in the submission itself. To the extent possible, any attachments to the submission should be included in the same file as the submission itself, and not as separate files.

We strongly urge submitters to use electronic filing. If on-line submission is impossible, please contact Sandy McKinzy at (202) 395-9483 to arrange for an alternative method of transmission.

Eric G. Altbach,

Deputy Assistant United States Trade Representative for China Affairs.

Pipeline and Hazardous Materials Safety Administration

Office of Hazardous Materials Safety; Notice of Applications for Modification of Special Permit

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: List of Applications for Modification of Special Permits

SUMMARY: In accordance with the procedures governing the application for, and the processing of, special permits from the Department of Transportation's Hazardous Material Regulations (49 CFR part 107, subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of

transportation, and the nature of application have been shown in earlier **Federal Register** publications, they are not repeated here. Requests for modification of special permits (e.g. to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. These applications have been separated from the new application for special permits to facilitate processing.

DATES: Comments must be received on or before July 30, 2009.

Address Comments to: Record Center, Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, Washington, DC 20590.

Comments should refer to the application number and be submitted in triplicate. If confirmation of receipt of comments is desired, include a self-addressed stamped postcard showing the special permit number.

FOR FURTHER INFORMATION CONTACT: Copies of the applications are available for inspection in the Records Center, East Building, PHH-30, 1200 New Jersey Avenue, Southeast, Washington DC or at <http://fdms.gov>.

This notice of receipt of applications for modification of special permit is published in accordance with Part 107 of the Federal hazardous materials transportation law (49 U.S.C. 5117(b); 49 CFR 1.53(b)).

Issued in Washington, DC, on July 7, 2009.

Delmer F. Billings,

Director, Office of Hazardous Materials Special Permits and Approvals.
