[Docket No. FAA-2009-0313; Directorate Identifier 2008-NM-144-AD; Amendment 39-15769; AD 2008-26-03]

RIN 2120-AA64

Airworthiness Directives; Bombardier Model DHC-8-102, DHC-8-103, DHC-8-106, DHC-8-201, DHC-8-202, DHC-8-301, DHC-8-311, and DHC-8-315 Airplanes Equipped With a Cockpit Door Electronic Strike System Installed in Accordance With Supplemental Type Certificate (STC) ST02014NY

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule; correction.

SUMMARY: The FAA is correcting an error in an existing airworthiness directive (AD) that was published in the **Federal Register** on April 7, 2009 (74 FR 15665). The error resulted in an incorrect product identification line in the regulatory portion of the AD. This AD applies to the transport category airplanes listed above. This AD requires modifying the electronic strike system of the cockpit door.

DATES: Effective April 13, 2009.

ADDRESSES: You may examine the AD docket on the Internet at <http://www.regulations.gov>; or in person at the Docket Management Facility between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this AD, the regulatory evaluation, any comments received, and other information. The address for the Docket Office (telephone 800-647-5527) is the Document Management Facility, U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140,

1200 New Jersey Avenue, SE., Washington, DC 20590.

FOR FURTHER INFORMATION CONTACT: Fabio Buttitta, Aerospace Engineer, Systems and Flight Test Branch, ANE-171, FAA, New York Aircraft Certification Office, 1600 Stewart Avenue, Suite 410, Westbury, New York 11590; telephone (516) 228-7303; fax (516) 794-5531.

SUPPLEMENTARY INFORMATION: On March 30, 2009, the FAA issued AD 2008-26-03, Amendment 39-15769 (74 FR 15665, April 7, 2009), for Bombardier Model DHC-8-102, DHC-8-103, DHC-8-106, DHC-8-201, DHC-8-202, DHC-8-301, DHC-8-311, and DHC-8-315 airplanes equipped with a cockpit door electronic strike system installed in accordance with supplemental type certificate (STC) ST02014NY. The AD requires modifying the electronic strike system of the cockpit door.

As published in the **Federal Register**, the AD identifies "TTF Aerospace LLC" in the product identification line of the AD; however, the name in the product identification line was changed to "Bombardier, Inc.," in the version posted to the FAA Web site (*i.e.*, the Regulatory and Guidance Library (<http://rgl.faa.gov>)). All copies of ADs available to the public must be consistent; therefore, we are correcting the version of the AD published in the **Federal Register** to appropriately identify Bombardier, Inc., in the product identification line.

No other part of the regulatory information has been changed; therefore, the final rule is not republished in the **Federal Register**.

The effective date of this AD remains April 13, 2009.

BILLING CODE 4910-13-P

DEPARTMENT OF STATE**22 CFR Part 121**

[Public Notice 6695]

Amendment to the International Arms Traffic in Arms Regulations: The United States Munitions List; Correction

AGENCY: Department of State.

ACTION: Correcting amendment.

SUMMARY: The Department of State published a final rule in the **Federal Register** on September 9, 1994 (59 FR 46548), revising Category XII(c) of the United States Munitions List. The language in the note after paragraph (c) contains a typographical error by using the term "hold" instead of "hole." A technical error in that rule resulted in the unintended removal of the note after Category XII paragraph (c). Consequently, a correction was published on April 24, 2009 (74 FR 18628) to restore the language in the note after Category XII paragraph (c). That correction used the term "hold" when the correct term is "hole." This document corrects the typographical error dating from September 9, 1994 to utilize the correct term "hole."

DATES: *Effective Date:* Effective on July 20, 2009.

FOR FURTHER INFORMATION CONTACT: Director Charles B. Shotwell, Office of Defense Trade Controls Policy, Department of State, Telephone (202) 663-2792 or Fax (202) 261-8199; e-mail DDTCResponseTeam@state.gov. Attn: Regulatory Change, Category XII.

SUPPLEMENTARY INFORMATION: The Department of State published a final rule (Public Notice 4723) in the **Federal Register** of May 21, 2004, amending Category XII of the United States Munitions List. This document restores the language in the note after Category XII(c).

BILLING CODE 4710–25–P

DEPARTMENT OF JUSTICE

28 CFR Part 11

[A.G. Order No. 3089–2009]

**Office of the Attorney General;
Administration of Debt Collection;
Salary and Administrative Offset;
Treasury Offset Program**

AGENCY: Department of Justice.

ACTION: Final rule.

SUMMARY: This rule amends the regulations that govern administrative debt collection at the Department of Justice to bring the regulations into conformity with government-wide standards on salary offset procedures, to update or delete obsolete references and to make other clarifying or technical changes.

DATES: *Effective Date:* July 20, 2009.

FOR FURTHER INFORMATION CONTACT: Stuart Frisch, General Counsel, or Morton J. Posner, Attorney-Advisor, Justice Management Division, U.S. Department of Justice, Washington, DC 20530, (202) 514–3452.

SUPPLEMENTARY INFORMATION: This rule updates the Department's administrative debt collection regulations at 28 CFR Part 11, Subparts B and C, originally issued in 1992. This rule makes changes only to the Department's internal management and does not affect the rights or obligations of the general public. In particular, the rule makes four kinds of changes.

First, the rule updates or deletes obsolete references. Sections 11.4(a), (b)(4), 11.6(j), and 11.8(j) cite the Federal Claims Collection Standards (FCCS). Formerly in title 4, Code of Federal Regulations, the FCCS were substantially revised and reissued in 2000 at 31 CFR Parts 900–904. Those references are updated. References to the former Immigration and Naturalization Service in § 11.6(b), an outdated Department of Justice order in § 11.6(e), and an outdated notification requirement in § 11.8(a) are deleted. The title of Subpart C is revised with the updated name of the former IRS Tax Refund Offset Program.

Second, the rule revises the § 11.7 exemptions to the employee salary offset procedure in § 11.8. The revisions bring the rule into conformity with the government-wide standard set out in 5 CFR § 550.1104(c).

Third, the rule makes clarifying changes. In § 11.4(b)(3)(iii), the rule now more clearly states that the employee salary offset procedures of § 11.8 do not apply to recovery of travel advances and employee training expenses. In § 11.8(c)(4)(i) and (5), the rule is revised to clarify that the deadlines for hearing and decision of an employment-related debt review are triggered by the receipt of the hearing request by the hearing officer the Department designates. These clarifying changes are consistent with the Department's longstanding interpretation of the prior regulations.

Fourth, the rule makes technical corrections. In § 11.8(b)(2) and (3), the

term “salary offset coordination official” is changed to “salary offset coordination officer,” a term already defined in § 11.6(r). The rule corrects typographical errors in the prior version of §§ 11.5(b) and 11.6(h)(1).

Administrative Procedure Act

This rule relates to agency management or personnel and, pursuant to 5 U.S.C. 553(a)(2), it is exempt from the usual requirements of 5 U.S.C. 553 pertaining to prior notice and comment and a 30-day delay in effective date.

Regulatory Flexibility Act

The Attorney General, in accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), has reviewed this regulation and by approving it certifies that this regulation will not have a significant economic impact on a substantial number of small entities because it pertains only to personnel and administrative matters affecting the Department. Further, a Regulatory Flexibility Analysis was not required to be prepared for this final rule because the Department was not required to publish a general notice of proposed rulemaking for this matter.

Executive Order 12866—Regulatory Planning and Review

This action has been drafted and reviewed in accordance with Executive Order 12866 Regulatory Planning and Review, § 1(b), Principles of Regulation. This rule is limited to agency organization, management, and personnel as described by Executive Order 12866 § 3(d)(3) and, therefore, is not a “regulation” as defined by that Executive Order. Accordingly, this action has not been reviewed by the Office of Management and Budget.

Executive Order 12988—Civil Justice Reform

This regulation meets the applicable standards set forth in sections 3(a) and 3(b)(2) of Executive Order 12988.

Executive Order 13132—Federalism

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.
