

## Background

On May 29, 2009, a petition was filed with the Commission and Commerce by Alabama Metal Industries, Corp., of Birmingham, AL and Fisher & Ludlow, Inc., of Wexford, PA, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized and less-than-fair-value imports of certain steel grating from China. Accordingly, effective May 29, 2009, the Commission instituted countervailing duty investigation No. 701-TA-465 (Preliminary) and antidumping duty investigation No. 731-TA-1161 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 5, 2009 (74 FR 27049). The conference was held in Washington, DC, on June 19, 2009, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on July 13, 2009. The views of the Commission are contained in USITC Publication 4087 (July 2009), entitled *Certain Steel Grating From China: Investigation Nos. 701-TA-465 and 731-TA-1161* (Preliminary).

By order of the Commission.

Issued: July 15, 2009.

**Marilyn R. Abbott,**

*Secretary to the Commission.*
