

the amendments to appendix A are effective September 12, 2009. The Board is providing notice of the amendments at this time to give affected banks ample time to make any needed processing changes. Early notice also will enable affected banks to amend their availability schedules and related disclosures if necessary and provide their customers with notice of these changes.²

Administrative Procedure Act

The Board has not followed the provisions of 5 U.S.C. 553(b) relating to notice and public participation in connection with the adoption of the final rule. The revisions to appendix A are technical in nature and are required by the statutory and regulatory definitions of "check-processing region." Because there is no substantive change on which to seek public input, the Board has determined that the § 553(b) notice and comment procedures are unnecessary. In addition, the underlying consolidation of Federal Reserve Bank check-processing offices involves a matter relating to agency management, which is exempt from notice and comment procedures.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506; 5 CFR 1320 Appendix A.1), the Board has reviewed the final rule under authority delegated to the Board by the Office of Management and Budget. The technical amendments to appendix A of Regulation CC will delete the reference to the head office of the Federal Reserve Bank of Chicago and reassign the routing symbols listed under that office to the head office of the Federal Reserve Bank of Cleveland. The depository institutions that are located in the affected check-processing regions and that include the routing numbers in their disclosure statements would be required to notify customers of the resulting change in availability under § 229.18(e). However, all paperwork

² Section 229.18(e) of Regulation CC requires that banks notify account holders who are consumers within 30 days after implementing a change that improves the availability of funds.

collection procedures associated with Regulation CC already are in place, and the Board accordingly anticipates that no additional burden will be imposed as a result of this rulemaking.

List of Subjects in 12 CFR Part 229

Banks, Banking, Reporting and recordkeeping requirements.

Authority and Issuance

■ For the reasons set forth in the preamble, the Board is amending 12 CFR part 229 to read as follows:

PART 229—AVAILABILITY OF FUNDS AND COLLECTION OF CHECKS (REGULATION CC)

■ 1. The authority citation for part 229 continues to read as follows:

Authority: 12 U.S.C. 4001–4010, 12 U.S.C. 5001–5018.

■ 2. The Fourth and Seventh District routing symbol lists in appendix A are amended by removing the headings and listings for the Seventh Federal Reserve District and revising the listings for the Fourth Federal Reserve District to read as follows:

Appendix A to Part 229—Routing Number Guide to Next-Day Availability Checks and Local Checks

BILLING CODE 1505-01-D

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****14 CFR Part 39**

[Docket No. FAA-2009-0313; Directorate Identifier 2008-NM-144-AD; Amendment 39-15769; AD 2008-26-03]

RIN 2120-AA64

Airworthiness Directives; Bombardier Model DHC-8-102, DHC-8-103, DHC-8-106, DHC-8-201, DHC-8-202, DHC-8-301, DHC-8-311, and DHC-8-315 Airplanes Equipped With a Cockpit Door Electronic Strike System Installed in Accordance With Supplemental Type Certificate (STC) ST02014NY

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Final rule; correction.

SUMMARY: The FAA is correcting an error in an existing airworthiness directive (AD) that was published in the **Federal Register** on April 7, 2009 (74 FR 15665). The error resulted in an incorrect product identification line in the regulatory portion of the AD. This AD applies to the transport category airplanes listed above. This AD requires modifying the electronic strike system of the cockpit door.

DATES: Effective April 13, 2009.

ADDRESSES: You may examine the AD docket on the Internet at <http://www.regulations.gov>; or in person at the Docket Management Facility between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The AD docket contains this AD, the regulatory evaluation, any comments received, and other information. The address for the Docket Office (telephone 800-647-5527) is the Document Management Facility, U.S. Department of Transportation, Docket Operations, M-30, West Building Ground Floor, Room W12-140,

1200 New Jersey Avenue, SE., Washington, DC 20590.

FOR FURTHER INFORMATION CONTACT: Fabio Buttitta, Aerospace Engineer, Systems and Flight Test Branch, ANE-171, FAA, New York Aircraft Certification Office, 1600 Stewart Avenue, Suite 410, Westbury, New York 11590; telephone (516) 228-7303; fax (516) 794-5531.

SUPPLEMENTARY INFORMATION: On March 30, 2009, the FAA issued AD 2008-26-03, Amendment 39-15769 (74 FR 15665, April 7, 2009), for Bombardier Model DHC-8-102, DHC-8-103, DHC-8-106, DHC-8-201, DHC-8-202, DHC-8-301, DHC-8-311, and DHC-8-315 airplanes equipped with a cockpit door electronic strike system installed in accordance with supplemental type certificate (STC) ST02014NY. The AD requires modifying the electronic strike system of the cockpit door.

As published in the **Federal Register**, the AD identifies "TTF Aerospace LLC" in the product identification line of the AD; however, the name in the product identification line was changed to "Bombardier, Inc.," in the version posted to the FAA Web site (*i.e.*, the Regulatory and Guidance Library (<http://rgl.faa.gov>)). All copies of ADs available to the public must be consistent; therefore, we are correcting the version of the AD published in the **Federal Register** to appropriately identify Bombardier, Inc., in the product identification line.

No other part of the regulatory information has been changed; therefore, the final rule is not republished in the **Federal Register**.

The effective date of this AD remains April 13, 2009.

§ 39.13 [Corrected]

■ In the **Federal Register** of April 7, 2009, on page 15666, in the first column, the paragraph that states "2008-26-03 TTF Aerospace LLC:" of AD 2008-26-03 is corrected to read as follows:

* * * * *

2008-26-03 Bombardier, Inc.:

* * * * *

Issued in Renton, Washington, on July 8, 2009.

Ali Bahrami,

Manager, Transport Airplane Directorate, Aircraft Certification Service.

BILLING CODE 4910-13-P

DEPARTMENT OF STATE**22 CFR Part 121**

[Public Notice 6695]

Amendment to the International Arms Traffic in Arms Regulations: The United States Munitions List; Correction

AGENCY: Department of State.

ACTION: Correcting amendment.

SUMMARY: The Department of State published a final rule in the **Federal Register** on September 9, 1994 (59 FR 46548), revising Category XII(c) of the United States Munitions List. The language in the note after paragraph (c) contains a typographical error by using the term "hold" instead of "hole." A technical error in that rule resulted in the unintended removal of the note after Category XII paragraph (c). Consequently, a correction was published on April 24, 2009 (74 FR 18628) to restore the language in the note after Category XII paragraph (c). That correction used the term "hold" when the correct term is "hole." This document corrects the typographical error dating from September 9, 1994 to utilize the correct term "hole."

DATES: *Effective Date:* Effective on July 20, 2009.

FOR FURTHER INFORMATION CONTACT: Director Charles B. Shotwell, Office of Defense Trade Controls Policy, Department of State, Telephone (202) 663-2792 or Fax (202) 261-8199; e-mail DDTCResponseTeam@state.gov. Attn: Regulatory Change, Category XII.
