DATES: Comments are due July 23, 2009.

SUPPLEMENTARY INFORMATION:

- I. Background
- II. Notice of Filing
- III. Ordering Paragraphs

I. Background

On July 13, 2009, the Postal Service filed a notice, pursuant to 39 U.S.C. 3633 and 39 CFR 3015.5, announcing that it has entered into two additional Global Plus 2 contracts, which it states fit within the previously established Global Plus 2 Contracts product.¹ The Postal Service states that the instant contracts are functionally equivalent to previously submitted Global Plus 2 contracts, are filed in accordance with Order No. 112 and are supported by

¹ Notice of the United States Postal Service of Filing Two Functionally Equivalent Global Plus 2 Negotiated Service Agreements, July 13, 2009 (Notice).

Governors' Decision No. 08-10 filed in Docket No. MC2008-7.² Notice at 1.

The Notice also states that in Docket No. MC2008-7, the Governors established prices and classifications for competitive products not of general applicability for Global Plus 2 contracts. The Postal Service relates that the instant contracts are the immediate successor contracts to those in Docket Nos. CP2008-16 and CP2008-17, which will expire soon, and which the Commission found to be functionally equivalent in Order No. 112. The Postal Service contends that the instant contracts should be included within the Global Plus 2 product on the Competitive Product List. *Id.* In support, the Postal Service has filed redacted versions of each contract and related materials as Attachments 1-A and 1-B. Redacted versions of the certified statements required by 39 CFR 3015.5 are included as Attachments 2-A and 2-B, respectively. The Postal Service states that the contracts should be included within the Global Plus 2 product and requests that the instant contracts be considered the "baseline contracts for future functional equivalency analyses concerning this product." *Id.* at 2.

The instant contracts. The Postal Service filed the instant contracts pursuant to 39 CFR 3015.5. The contracts become effective August 1, 2009, unless regulatory reviews affect that date, and have a one-year term.

The Postal Service maintains that certain portions of each contract and certified statements required by 39 CFR 3015.5(c)(2), names and identifying information of the Global Plus 2 customers, related financial information, portions of the certified statements which contain costs and pricing as well as the accompanying analyses that provide prices, terms, conditions, and financial projections should remain under seal. *Id.* at 3.

The Postal Service asserts the contracts are functionally equivalent because they share similar cost and market characteristics and should be classified as a single product. *Id.* at 3. It states that while the precursor contracts filed in Docket Nos. CP2008-16 and CP2008-17 exhibited minor distinctions based on differences in customers' negotiations, business needs or relationship with the Postal Service, the new versions of the agreements are identical to one another. *Id.* at 4.

The Postal Service also states that the instant contracts' customers are the
