SUPPLEMENTARY INFORMATION:**Background**

On February 2, 2009, the Department published a notice of initiation of administrative review of the antidumping duty order on certain cased pencils from the People's Republic of China, covering the period December 1, 2007 through November 30, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 5821 (February 2, 2009). The current deadline for the preliminary results of this administrative review is September 2, 2009.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limit for Preliminary Results

The Department requires additional time to review and analyze the sales and cost responses in this administrative review. The Department has also found the need to issue additional supplemental questionnaires to respondents in this review. Moreover, the Department requires additional time

to analyze complex issues related to surrogate value selections. Thus, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by September 2, 2009). Therefore, the Department is extending the time limit for completion of the preliminary results by 104 days to not later than December 15, 2009, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 14, 2009.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

SUPPLEMENTARY INFORMATION:**Background**

On December 24, 2008, the Department published a notice of initiation of administrative review of the antidumping duty order on circular welded non-alloy steel pipe from the Republic of Korea, covering the period November 1, 2007 through October 31, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 79055 (December 24, 2008). The current deadline for the preliminary results of this administrative review is August 2, 2009.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to issue the

preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

Extension of Time Limit for Preliminary Results

The Department requires additional time to review and analyze the sales and cost responses in this administrative review. In particular, one of the respondents in this case has never participated in an antidumping case with the Department, and we need additional time to review its sales and cost methodologies. Thus, it is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by August 2, 2009). Therefore, the Department is extending the time limit for completion of the preliminary results by 120 days to not later than November 30, 2009, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(3)(A) of the Act.

Certain Frozen Warmwater Shrimp from the People's Republic of China and the Socialist Republic of Vietnam: Notice of Extension of Time Limit for the Final Results of the Third Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 22, 2009.

FOR FURTHER INFORMATION CONTACT: Paul Walker (China) and Irene Gorelik (Vietnam), AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W.,

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2009, the Department of Commerce (“Department”) published notices for the preliminary results of the administrative reviews of the antidumping duty orders on certain frozen warmwater shrimp from the People’s Republic of China (“PRC”) and the Socialist Republic of Vietnam (“Vietnam”), covering the period February 1, 2007, through January 31, 2008. See *Third Administrative Review of Frozen Warmwater Shrimp from the People’s Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 74 FR 10026 (March 9, 2009); and *Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Preliminary Results, Preliminary Partial Rescission and Request for Revocation, in Part, of the Third Administrative Review*, 74 FR 10009 (March 9, 2009). On June 4, 2009, the Department published a notice extending the deadline for the final results of certain frozen warmwater shrimp from PRC and Vietnam. See *Certain Frozen Warmwater Shrimp from the People’s Republic of China and the Socialist Republic of Vietnam: Notice of Extension of Time Limit for the Final Results of the Third Administrative Reviews*, 74 FR 26839 (June 4, 2009). The final results for these administrative reviews are currently due no later than July 28, 2009.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“Act”), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published. On June 4, 2009, the Department extended the deadline of the final results by 21 days. Thus, the Department may extend the deadline of the final results by an additional 39 days. With respect to shrimp from Vietnam, the Department requires additional time to properly consider the numerous and complex issues raised by interested parties in their case briefs and rebuttal briefs in

addition to considering arguments from the public hearing held on June 4, 2009 and the separate-rate status for numerous non-mandatory companies. With respect to shrimp from the PRC, the Department requires additional time to consider the numerous and complex issues raised in case briefs and rebuttal briefs from multiple interested parties, including surrogate country selection and surrogate values for several factors of production.

Thus, it is not practicable to complete these reviews within the extended time limit of 21 days. Therefore, the Department is again extending the time limit for completion of the final results of these reviews by 31 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than August 28, 2009.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 14, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Foreign-Trade Zones Board

[Docket 29-2009]

Foreign-Trade Zone 39—Dallas/Fort Worth, TX; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by Dallas/Fort Worth International Airport Board, grantee of FTZ 39, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 01/12/09; correction 74 FR 3987, 01/22/09). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 17, 2009.

The grantee’s proposed service area under the ASF would be the Texas counties of Dallas, Tarrant, Kaufman, Collin, Grayson, and Denton. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is adjacent to the Dallas/Fort Worth Customs and Border Protection port of entry.

FTZ 39 was approved on August 17, 1978 (Board Order 133, 43 FR 37478, 8/23/78), and expanded on: December 11, 1992 (Board Order 613, 57 FR 61046, 12/23/92); December 27, 1994 (Board Order 723, 60 FR 2377, 1/9/95); December 27, 1994 (Board Order 724, 60 FR 2376, 1/9/95); March 12, 1999 (Board Order 1028, 64 FR 14212, 3/24/99); March 29, 2002 (Board Order 1213, 67 FR 17049, 4/9/02); and February 27, 2008 (Board Order 1542, 73 FR 13531-13532, 3/13/08). The applicant is requesting to include its current sites in the reorganized zone as “magnet” sites. The applicant proposes that Site 1 be exempt from “sunset” time limits that otherwise apply to sites under the ASF. No usage-driven sites are being proposed at this time. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 39’s authorized subzones.

In accordance with the Board’s regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is September 21, 2009. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to October 5, 2009).

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via <http://www.trade.gov/ftz>.
