SUPPLEMENTARY INFORMATION: The proposed rule was originally published with a 15-day comment period. The NPS has now determined that there is sufficient time to provide for an additional 45-day comment period to ensure that the public has had an opportunity for review and comment.

The NPS intends for final rules to be published on or before November 15, 2009, and to be in effect for the winter season commencing on December 15, 2009. Under the proposed rule, up to 318 snowmobiles would be allowed in Yellowstone each day.

The proposed regulatory provisions regarding the duration of this rule remain as published last year. The NPS intends that this rule would be in effect in Yellowstone National Park for the winter seasons ending with the 2010-2011 winter season. During the period this rule is in effect, the NPS will work with all interested parties to complete a new environmental impact statement using the best information available, a new long-term plan, and permanent regulations governing winter use in Yellowstone National Park. The proposed rules for Grand Teton National Park and the John D. Rockefeller, Jr., Memorial Parkway, if adopted, will be permanent for these two units.

If you have already commented on the rule, you do not have to resend your comment. We will consider it in preparing the final rule. We will also consider any comments that may have been received between the close of the comment period on November 20, 2008 and the re-opening of this comment period.
