

and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15c3-1 (17 CFR 240.15c3-1) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) requires brokers and dealers to have at all times sufficient liquid assets to meet their current liabilities, particularly the claims of customers. The rule facilitates monitoring the financial condition of brokers and dealers by the Commission and the various self-regulatory organizations. It is estimated that the active broker-dealer respondents registered with the Commission incur an aggregate burden of 73,300 hours per year to comply with this rule.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Comments should be directed to Charles Boucher, Director/Chief Information Officer, Securities and Exchange Commission, c/o Shirley Martinson, 6432 General Green Way, Alexandria, Virginia 22312 or send an e-mail to: PRA_Mailbox@sec.gov.

Rule 30e-1; SEC File No. 270-21; OMB Control No. 3235-0025.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title for the collection of information is: "Rule 30e-1 (CFR 270.30e-1) under the Investment Company Act of 1940, Reports to Stockholders of Management Companies." Section 30(e) (15 U.S.C. 80a-29(e)) of the Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*) requires a registered investment company ("fund") to transmit to its shareholders, at least semi-annually, reports containing information and financial statements as the Commission may prescribe. Among other requirements, Rule 30e-1 (17 CFR 270.30e-1) under the Investment Company Act directs funds to include in the shareholder reports the information that is required by the fund's registration statement form under the Investment Company Act. Failure to require the collection of this information would seriously impede the amount of current information available to shareholders and the public about funds and would prevent the Commission from implementing the regulatory program required by statute. The estimated annual number of respondents providing shareholder reports under Rule 30e-1 is approximately 2800. The proposed frequency of response is semi-annual. The estimate of the total annual reporting burden of the collection of information is approximately 145.8 hours per shareholder report and the total estimated annual burden for the industry is 816,480 hours (145.8 hours per report \times 2 reports \times 2,800 funds). Providing the information required by Rule 30e-1 is mandatory. Responses will not be kept confidential. Estimates of the burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to: PRA_Mailbox@sec.gov.

Dated: July 24, 2009.

Deputy Secretary.
