Triclosan; Product Cancellation Order

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations, voluntarily requested by the registrant and accepted by the Agency, of products containing the pesticide triclosan pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. This cancellation order follows a April 22, 2009 **Federal Register** Notice of Receipt of Requests from the triclosan registrant to voluntarily cancel all their triclosan technical grade product registrations. These are not the last triclosan products registered for use in the United States. In the April 22, 2009 notice, EPA indicated that it would issue an order implementing the cancellations to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would

merit its further review of these requests, or unless the registrant withdrew their requests within this period. The Agency did not receive any comments on the notice. Further, the registrant did not withdraw their requests. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations. Any distribution, sale, or use of the triclosan products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations are effective July 30, 2009.
