

page limitations. Submissions exceeding this limit will not be accepted and will be returned. Oral testimony of this material at the meeting will be limited to no more than 5–6 minutes in length.

Because of time constraints for oral testimony, testifiers may not be able to present the complete information as it is contained in their written form submitted for inclusion in the public record for the meeting. Therefore, testifiers are requested to summarize the major points of emphasis from the written testimony, not to exceed 6 minutes of oral testimony. Those individuals or organizations that have indicated they will present oral testimony at the meeting in Providence will be notified prior to the meeting regarding the approximate time for their oral presentation.

Individuals and organizations wishing to provide written statements *only* should send a copy of their statements, electronically or by mail, to the above Web site or address by September 13, 2009. Written testimony received by that date will be made available at the September 21–23 meeting. Logistics questions related to this meeting should be addressed to Ms. Jory Barone at ESI, while program-specific questions should be addressed to Ms. Maureen Pearlman at the Warren Alpert Medical School of Brown University, Providence, Rhode Island, 401–276–7800, ext. 123, mpearlman@wihri.org.

At the conclusion of the regional meetings, the ORWH will hold a meeting at the NIH to summarize the deliberations from the regional conferences. The resulting report to the ORWH and the NIH will ensure that women's health research in the coming decade continues to support a vigorous research agenda incorporating the latest advances in technology and cutting-edge science.
