

The BLM is committed to provide, and receive fair value for the use of developed recreation facilities and services in a manner that meets public use demands, provides quality experiences and protects important resources. The BLM's policy is to collect fees at all specialized recreation sites, or where the BLM provides facilities, equipment or services, at Federal expense, in connection with outdoor use as authorized by the REA. In an effort to meet increasing demands for services and maintenance of developed facilities, the BLM would implement a fee program for the camping areas. BLM's mission for the camping areas is to ensure that funding is available to maintain facilities and recreational opportunities, to provide for law enforcement presence, to develop additional services, and to protect resources. This mission entails communication with those who will be most directly affected by the camping areas, for example recreationists, other recreation providers, partners, neighbors, and those who will have a stake in solving concerns that may arise throughout the life of the camping areas, including elected officials, and other agencies.

Development of the Moab Skyway Group Site and the Entrada Bluffs, Bartlett and Courthouse camping areas is consistent with the 2008 Moab Resource Management Plan and was analyzed in the Environmental Impact Statement accompanying the plan (EIS UT-060-2007-04). Camping and group use fees would be consistent with other established fee sites in the area including other BLM administered sites in the area and those managed by the USDA Forest Service, USDI National Park Service, and Utah State Parks and Recreation. Future adjustments in the fee amount will be made following the Moab Field Office's recreation fee business plan covering the sites, consultation with the Utah Recreation Resource Advisory Committee and other public notice prior to a fee adjustment.

In December 2004, the REA was signed into law. The REA provides authority for 10 years for the Secretaries of the Interior and Agriculture to establish, modify, charge, and collect recreation fees for use of some Federal recreation lands and waters, and contains specific provisions addressing public involvement in the establishment of recreation fees, including a requirement that Recreation Resource Advisory Committees or Councils have the opportunity to make recommendations regarding establishment of such fees. REA also directed the Secretaries of the Interior

and Agriculture to publish advance notice in the **Federal Register** whenever new recreation fee areas are established under their respective jurisdictions. In accordance with the BLM recreation fee program policy, the Moab Field Office's recreation fee business plan both explains the fee collection process and how the fees will be used at the four sites. BLM will notify and involve the public at each stage of the planning process, including the proposal to collect fees. The Utah RRAC will review the fee proposals at its next meeting, following REA guidelines. Fee amounts will be posted on-site, and at the Moab Field Office, and copies of the business plan will be available at the Moab Field Office and the BLM Utah State Office.

BLM welcomes public comments on this proposal. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Authority: 16 U.S.C. 6803(b).

Notice of Utah's Resource Advisory Council (RAC) Meeting

AGENCY: Bureau of Land Management, Department of the Interior.

ACTION: Notice of Utah's Resource Advisory Council Meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and The Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management's (BLM) Utah Resource Advisory Council (RAC) will meet as indicated below.

DATES: The Utah Resource Advisory Council (RAC) will meet September 15 (1 p.m.-6 p.m.) and September 16 (8 a.m.-3 p.m.), 2009, in Cedar City, Utah.

ADDRESSES: The RAC will meet at the Southern Utah University's Hunter Star

meeting room), 351 West University Blvd., Cedar City, Utah.

FOR FURTHER INFORMATION CONTACT: Contact Sherry Foot, Special Programs Coordinator, Utah State Office, Bureau of Land Management, P.O. Box 45155, Salt Lake City, Utah 84145-0155; phone (801) 539-4195.

SUPPLEMENTARY INFORMATION: The 15-member Council advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in Utah. On September 15, planned agenda topics include presentations on renewable energy resources, including geothermal, wind energy, solar study units; effects on wildlife from renewable energy development; the treatment of renewable resources in Resource Management Plans; and, comments by local and state officials. Updates on the Milford Flat fire rehab project also will be presented. A half-hour public comment period, where the public may address the Council, is scheduled from 5 p.m.-5:30 p.m. Written comments may be sent to the Bureau of Land Management's address listed above.

On September 16, the RAC will tour the RASER facilities (geothermal-modular units), First Wind—Milford Flat Wind Farm (Clipper and GE turbines, substation, operation and maintenance facility, lay-down yards), and the Blundell Powerplant (geothermal, production plant-turbine, heat exchangers). All meetings are open to the public; however, transportation, lodging, and meals are the responsibility of the participating public. For purposes of field tour coordination, members of the public wishing to attend are to contact Sherry Foot at (801) 539-4195.

Dated: July 30, 2009.

Selma Sierra,
State Director.
