

POLICY JUSTIFICATION

Kuwait – Nautilus Class Diver Support Vessels

The Government of Kuwait has requested a possible sale of 4 M2 .50 cal HB Browning machine guns, 2 Swiftship Model 176DSV0702, 54X9.2X1.8 meter Nautilus Class Diver Support Vessels outfitted with a MLG 27mm gun system, support equipment, personnel training, spare and repair parts, publications and technical data, U.S. Government and contractor technical and logistics personnel services, and other related elements of program support. The estimated cost is \$81 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a Major Non-NATO ally which has been, and continues to be, an important force for political stability and economic progress in the Middle East. Additionally, the proposed sale will demonstrate the U.S. Government's commitment to our bilateral relationship.

Kuwait needs these vessels to strengthen its tactical range and operating capabilities with its defense network. The Diver Support Vessels will ensure enhanced fleet security and interoperability as well as improve Kuwait's capability to conduct operations. Kuwait will have no difficulty absorbing the diver support vessels into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The prime contractor will be Swiftships, LLC in Morgan City, Louisiana. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require the assignment of one contractor representative in Kuwait for a period of one year after the delivery of the craft to provide technical assistance in the performance of planned and corrective maintenance and repair.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

POLICY JUSTIFICATION

Kuwait - Technical/Logistics Support for F/A-18 Aircraft

The Government of Kuwait has requested a possible sale of continuing logistics support, contractor maintenance, and technical services in support of the F/A-18 aircraft to include Contractor Engineering Technical Services/Contractor Maintenance Services, Hush House Maintenance Support services, and Liaison Office Support Services, U.S. Government and contractor technical and logistics personnel services and other related elements of program support. The estimated cost is \$70 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country which has been, and continues to be, an important force for political stability and economic progress in the Middle East.

The Government of Kuwait needs this logistics support, contractor maintenance, and technical services to maintain the operational capabilities of its aircraft.

The contractor maintenance and training technical services will not alter the basic military balance in the region.

The principal contractors will be The Boeing Company in St. Louis, Missouri; DynCorp in Fort Worth, Texas; General Electric in Lynn, Massachusetts; Industrial Acoustics Company in Winchester, United Kingdom; and General Dynamics in Fairfax, Virginia. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any U.S. Government or contractor representatives to Kuwait.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
