ADDRESSES: The meeting will be held at the NMFS, 75 Virginia Beach Drive, Miami, FL 33149.

Council address: Gulf of Mexico Fishery Management Council, 2203 North Lois Avenue, Suite 1100, Tampa, FL 33607.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico Fishery Management Council (Council) will convene the SEDAR Red Snapper Update Workshop (SEDAR) to conduct an update assessment of the SEDAR 7 red snapper benchmark stock assessment. An update assessment is a single workshop that utilizes the assessment models and input parameters from the previous full SEDAR benchmark assessment, with minor modifications if any, and updated data streams to update the results of the previous full assessment. The previous SEDAR 7 red snapper benchmark assessment was completed in 2004 with supplemental analyses in 2005. That assessment concluded that, as of 2003 (the final year of available catch data), the red snapper stock was overfished and was undergoing overfishing. In addition to updating the data streams previously used, the update assessment workshop will include a discussion on age distribution, growth and density dependent mortality of juvenile red snapper, and composition and changes of red snapper in shrimp trawl bycatch. The workshop will also include a review of the data inputs with respect to life history, indices of abundance, commercial and recreational fisheries statistics, and fishery independent data.

A copy of the agenda and related materials can be obtained by calling the Council office at (813) 348-1630.

Although other non-emergency issues not on the agendas may come before the SEDAR for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), those issues may not be the subject of formal action during this meeting. Actions of the SEDAR will be restricted to those issues specifically identified in the agendas and any issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's

intent to take action to address the emergency.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Sean Carey or Justin Neuman, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone: (202) 482-3964 and (202) 482-0486, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 18, 2009, the Department of Commerce (the Department) initiated the countervailing duty investigation of certain steel grating from the People's Republic of China. *See Certain Steel Grating From the People's Republic of China: Initiation of Countervailing Duty Investigation*, 74 FR 30278 (June 25, 2009). Currently, the preliminary determination is due no later than August 22, 2009.

Postponement of Due Date for the Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary determination in a countervailing duty investigation within 65 days after the date on which the Department initiated the investigation. However, the Department may postpone making the preliminary determination until no later than 130 days after the date on which

the administering authority initiated the investigation if, among other reasons, the petitioner makes a timely request for an extension pursuant to section 703(c)(1)(A) of the Act. In the instant investigation, the petitioner made a timely request on July 22, 2009, requesting a postponement until 130 days from the initiation date. See 19 CFR 351.205(e) and the petitioner's July 22, 2009, letter requesting postponement of the preliminary determination. Therefore, pursuant to the discretion afforded the Department under 703(c)(1)(A) of the Act and because the Department does not find any compelling reason to deny the request, we are fully extending the due date for the preliminary determination. Therefore, the deadline for the completion of the preliminary determination is now October 26, 2009.

This notice is issued and published pursuant to section 703(c)(2) of the Act.

Dated: August 3, 2009.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.
