SUPPLEMENTARY INFORMATION:

Background

On December 1, 2008, ArcelorMittal USA, Inc. (“ArcelorMittal”), a domestic producer of certain hot–rolled steel flat products, requested that the Department conduct an administrative review of Angang Steel Company, Ltd., Angang Group International Trade Corporation, New Iron and Steel Co., Ltd., Angang Group Hong Kong Co., Ltd., Angang Iron & Steel Group, and all affiliated entities (collectively “Angang”); and Shanghai Baosteel Group Corporation, Baosteel Group International Trade Corp., and Baoshan Iron and Steel Co., Ltd. (also collectively “Baosteel”) .

On June 26, 2009, we rescinded this review with respect to Angang based on ArcelorMittal’s withdrawal of their request for review, and preliminarily rescinded this review with respect to Baosteel based on evidence on the record indicating that Baosteel made no entries of subject merchandise into the United States during the POR. See Rescission and Preliminary Rescission of Antidumping Duty Administrative Review: Certain Hot Rolled Carbon Steel Flat Products from the People’s Republic of China, 74 FR 30525 (June 26, 2009) (“Preliminary Rescission”). We invited interested parties to submit comments on our Preliminary Rescission. We did not receive any comments on our Preliminary Rescission.

1 Baosteel consists of the following five entities: Baosteel Group Corporation, Shanghai Baosteel International Economic & Trading Co., Ltd., Shanghai Baosteel Group Corporation, Baosteel Group International Trade Corp., and Baoshan Iron and Steel Co., Ltd.

2 As noted above, Baosteel consists of the five entities listed in footnote 1.
