SUPPLEMENTARY INFORMATION:

Regulatory History

On March 24, 2009, FMCSA published a notice with request for comments in the **Federal Register** (74 FR 12437) regarding the establishment of Fiscal Year (FY) 2010 grant application due dates and other grant program changes.

Background and Purpose

FMCSA recognizes that State governments and other grantees are dependent on its safety grants to

develop and maintain important commercial motor vehicle (CMV) safety programs. FMCSA further acknowledges that delays in awarding grant funds may have an adverse impact on these important safety programs. As a result, FMCSA conducted a grants process review, in an effort to identify ways to streamline the application, award, and grants management processes, and to award grant funds earlier each fiscal year. In addition, FMCSA made changes in the grants application, award and oversight processes to standardize application forms, increase the use of electronic documents, standardize quarterly reports and reduce the number of needed grant amendments.

Discussion of Comments

Five comments were received in the docket. All commenters supported FMCSA's changes, especially any efforts to award funds earlier in the fiscal year. One commenter suggested delaying on the proposed application dates until FY 2011. Another commenter suggested one due date for all grants. Other comments included suggestions beyond the scope of FMCSA's current changes. This information will be considered during future grant program modifications.

FY 2010 Safety Grants Program

First, the schedule for the FY 2010 grant applications is as follows:

MCSAP Basic and Incentive Grants—August 1, 2009.

New Entrant Safety Audit Grants—September 1, 2009.

Border Enforcement Grants—September 15, 2009.

CMV Operator Safety Training Grants—October 1, 2009.

SaDIP Grants—October 2, 2009.

MCSAP High Priority Grants—October 15, 2009.

CDLPI Grants—November 1, 2009.

CDLIS Modernization Grants—November 15, 2009.

PRISM Grants—December 1, 2009.

CVISN Grants—December 1, 2009.

Second, consistent with its contract authority, FMCSA will enter into grant agreements beginning October 1 or as soon thereafter as administratively practicable. FMCSA intends to enter into grant agreements no later than 90 days from the date the application is due but not prior to October 1.

Third, for all grants other than MCSAP Basic and Incentive, FMCSA will use a standard grant application form and a new quarterly reporting process. In its grant announcements on grants.gov, FMCSA will use Standard Form 424 ("Application for Federal Assistance") and its attachments for all of its grant programs. While each grant
