**PENSION BENEFIT GUARANTY CORPORATION**

**29 CFR Part 4022**

**Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Valuing and Paying Benefits**

**AGENCY:** Pension Benefit Guaranty Corporation.

**ACTION:** Final rule.

**SUMMARY:** Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans prescribes interest assumptions for valuing and paying certain benefits under terminating single-employer plans. This final rule amends the benefit payments regulation to adopt interest assumptions for plans with valuation

dates in September 2009. Interest assumptions are also published on PBGC's Web site (<http://www.pbgc.gov>).

**DATES:** Effective September 1, 2009.

**FOR FURTHER INFORMATION CONTACT:** Catherine B. Klion, Manager, Regulatory and Policy Division, Legislative and Regulatory Department, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005, 202–326–4024. (TTY/TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4024.)

**SUPPLEMENTARY INFORMATION:** PBGC's regulations prescribe actuarial assumptions—including interest assumptions—for valuing and paying plan benefits of terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions are intended to reflect current conditions in the financial and annuity markets.

These interest assumptions are found in two PBGC regulations: the regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR Part 4022) and the regulation on Allocation of Assets in Single-Employer Plans (29 CFR Part 4044). Assumptions under the asset allocation regulation are updated quarterly; assumptions under the benefit payments regulation are updated monthly. This final rule updates only the assumptions under the benefit payments regulation.

Two sets of interest assumptions are prescribed under the benefit payments regulation: (1) a set for PBGC to use to determine whether a benefit is payable as a lump sum and to determine lump-sum amounts to be paid by PBGC (found in Appendix B to Part 4022), and (2) a set for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology (found in Appendix C to Part 4022).

This amendment (1) adds to Appendix B to Part 4022 the interest assumptions for PBGC to use for its own lump-sum payments in plans with valuation dates during September 2009, and (2) adds to Appendix C to Part 4022 the interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology for valuation dates during September 2009.

The interest assumptions that PBGC will use for its own lump-sum payments

(set forth in Appendix B to part 4022) will be 3.00 percent for the period during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. These interest assumptions represent no change from those in effect for August 2009. For private-sector payments, the interest assumptions (set forth in Appendix C to part 4022) will be the same as those used by PBGC for determining and paying lump sums (set forth in Appendix B to part 4022).

PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This finding is based on the need to determine and issue new interest assumptions promptly so that the assumptions can reflect current market conditions as accurately as possible.

Because of the need to provide immediate guidance for the valuation and payment of benefits in plans with valuation dates during September 2009, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a "significant regulatory action" under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

[Docket No. USCG-2009-0523]

RIN 1625-AA00

**Safety Zones: Swim Events in Lake Champlain, NY, and VT; Casco Bay, Rockland Harbor, Linekin Bay, ME**

**AGENCY:** Coast Guard, DHS.  
**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing 5 temporary safety zones for various swim events within the Coast Guard Sector Northern New England area, including: the “Tri for a Cure Triathlon” in South Portland, Maine; the “Y-Tri for a Cure Triathlon” in Plattsburg, New York; the “Greater Burlington YMCA Lake Swim” in Burlington, Vermont; the “Rockland Breakwater Swim” in Rockland, Maine and the “Cabbage Island Swim” in Boothbay Harbor, Maine. These temporary safety zones are necessary to provide for the safety of life on the navigable waters by prohibiting spectators, vessels, and other users of the waterway from entering an area surrounding the participants of the

swim events due to the hazards associated with multiple swimmers in close proximity to operating vessels. **DATES:** This rule is effective from 8 a.m. on August 8, 2009 until 12:30 p.m. on August 29, 2009. **ADDRESSES:** Documents indicated in this preamble as being available in the docket are part of docket USCG-2009-0523 and are available online by going to <http://www.regulations.gov>, selecting the Advanced Docket Search option on the right side of the screen, inserting USCG-2009-0523 in the “Keyword” box, and then clicking “Search.” They are also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. **FOR FURTHER INFORMATION CONTACT:** If you have questions on this temporary rule, call or e-mail Chief Petty Officer Randy Bucklin, Coast Guard Sector Northern New England, Waterways Management Division; telephone 207-741-5440, e-mail [Randy.Bucklin@uscg.mil](mailto:Randy.Bucklin@uscg.mil). **SUPPLEMENTARY INFORMATION:**

**Regulatory Information**

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision

authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because a notice and comment period would be impracticable due to the time constraints resulting from the immediacy of the upcoming events. The Coast Guard did not receive notification of the exact location or proposed dates for the swim events in sufficient time to issue a NPRM for this rulemaking. Further, the expeditious implementation of this rule is in the public interest because it will help ensure the safety of those involved in participating in the swim event, the spectators, and users of the waterway during the swim events. Finally, a delay or cancellation of the swim events in order to accommodate a notice and comment period is contrary to the public’s interest in this event occurring as scheduled.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. As noted above, the Coast Guard finds that it is both impractical and contrary to public interest to delay the effective date of this rule for 30 days after publication. Immediate action is needed in order to ensure the safety of the participants of the swim events, spectators and users of the waterway. The public will have some notice after publication in the **Federal Register** for
