Title: Investment Securities (12 CFR part 1).

OMB Number: 1557–0205.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend its approval of the information collection.

The information collection requirements in 12 CFR part 1 are as follows: Under 12 CFR 1.4(h)(2), a national bank may request an OCC determination that it may invest in an entity that is exempt from registration under section 3(c)(1) of the Investment Company Act of 1940 if the portfolio of the entity consists exclusively of assets that a national bank may purchase and sell for its own account. The OCC uses the information contained in the request as a basis for determining that the bank's investment is consistent with its investment authority under applicable law and does not pose unacceptable risk.

Under 12 CFR 1.7(b), a national bank may request OCC approval to extend the five-year holding period of securities held in satisfaction of debts previously contracted (DPC) for up to an additional five years. The bank must provide a clearly convincing demonstration of why any additional holding period is needed. The OCC uses the information in the request to ensure, on a case-by-case basis, that the bank's purpose in retaining the securities is not speculative and that the bank's reasons for requesting the extension are adequate, and to evaluate the risks to the bank of extending the holding period, including potential effects on bank safety and soundness.

Type of Review: Extension of a currently approved collection.

SUPPLEMENTARY INFORMATION:

The OCC is proposing to extend OMB approval of the following information collection:

Title: Leasing (12 CFR part 23).

OMB Number: 1557-0206.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collection requirements. The OCC requests only that OMB extend the expiration date.

Information Collection Requirements Found in 12 CFR Part 23

12 CFR 23.4(c)

Under 12 CFR 23.4(c), national banks must liquidate or re-lease personal property that is no longer subject to lease (off-lease property) within five years from the date of the lease expiration. If a bank wishes to extend the five-year holding period for up to an additional five years, it must obtain OCC approval. Permitting a bank to extend the holding period may result in cost savings to national banks. It also provides flexibility for a bank that experiences unusual or unforeseen

conditions which would make it imprudent to dispose of the off-lease property. Section 23.4(c) requires a bank seeking an extension to provide a clearly convincing demonstration as to why an additional holding period is necessary. In addition, a bank must value off-lease property at the lower of current fair market value or book value promptly after the property comes off-lease. These requirements enable the OCC to ensure that a bank is not holding the property for speculative reasons and that the value of the property is recorded in accordance with generally accepted accounting principles (GAAP).

Section 23.5

Under 12 CFR 23.5, leases are subject to the lending limits prescribed by 12 U.S.C. 84 or, if the lessee is an affiliate of the bank, to the restrictions on transactions with affiliates prescribed by 12 U.S.C. 371c and 371c-1. See 12 CFR 23.6. Twelve U.S.C. 24 contains two separate provisions authorizing a national bank to acquire personal property for purposes of lease financing. Twelve U.S.C. 24 (Seventh) authorizes leases of personal property (section 24 (Seventh) Leases) if the lease serves as the functional equivalent of a loan. See 12 CFR 23.20. A national bank may also acquire personal property for purposes of lease financing under the authority of 12 U.S.C. 24 (Tenth) (CEBA Leases).

Section 23.5 requires that if a bank enters into both types of leases, its records must distinguish between the two types of leases. This information is required to prove that the national bank is complying with the limitations and requirements applicable to the two types of leases.

National banks use the information to ensure their compliance with applicable Federal banking law and regulations and accounting principles. The OCC uses the information in the conduct of bank examinations and as an audit tool to verify bank compliance with law and regulations. In addition, the OCC uses national bank requests for permission to extend the holding period for off-lease property to ensure national bank compliance with relevant law and regulations and to ensure bank safety and soundness.
