14 CFR Part 97

[Docket No. 30681; Amdt. No. 3334]

Standard Instrument Approach Procedures, and Takeoff Minimums and Obstacle Departure Procedures; Miscellaneous Amendments

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final Rule.

SUMMARY: This establishes, amends, suspends, or revokes Standard Instrument Approach Procedures

(SIAPs) and associated Takeoff Minimums and Obstacle Departure Procedures for operations at certain airports. These regulatory actions are needed because of the adoption of new or revised criteria, or because of changes occurring in the National Airspace System, such as the commissioning of new navigational facilities, adding new obstacles, or changing air traffic requirements. These changes are designed to provide safe and efficient use of the navigable airspace and to promote safe flight operations under instrument flight rules at the affected airports.

DATES: This rule is effective August 18, 2009. The compliance date for each SIAP, associated Takeoff Minimums, and ODP is specified in the amendatory provisions.

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the **Federal Register** as of August 18, 2009.

ADDRESSES: Availability of matters incorporated by reference in the amendment is as follows:

For Examination

1. FAA Rules Docket, FAA Headquarters Building, 800 Independence Avenue, SW., Washington, DC 20591;
2. The FAA Regional Office of the region in which the affected airport is located;
3. The National Flight Procedures Office, 6500 South MacArthur Blvd., Oklahoma City, OK 73169 or,
4. The National Archives and Records Administration (NARA). For information on the availability of this

material at NARA, call 202-741-6030, or go to: http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

Availability—All SIAPs and Takeoff Minimums and ODPs are available online free of charge. Visit <http://www.nfdc.faa.gov> to register. Additionally, individual SIAP and Takeoff Minimums and ODP copies may be obtained from:

1. FAA Public Inquiry Center (APA-200), FAA Headquarters Building, 800 Independence Avenue, SW., Washington, DC 20591; or
2. The FAA Regional Office of the region in which the affected airport is located.

Hodges, Flight Procedure Standards Branch (AFS-420), Flight Technologies and Programs Divisions, Flight Standards Service, Federal Aviation Administration, Mike Monroney Aeronautical Center, 6500 South MacArthur Blvd., Oklahoma City, OK 73169 (Mail Address: P.O. Box 25082, Oklahoma City, OK 73125) Telephone: (405) 954-4164.

SUPPLEMENTARY INFORMATION: This rule amends Title 14 of the Code of Federal Regulations, Part 97 (14 CFR part 97), by establishing, amending, suspending, or revoking SIAPs, Takeoff Minimums and/or ODPs. The complete regulators description of each SIAP and its associated Takeoff Minimums or ODP for an identified airport is listed on FAA form documents which are incorporated by reference in this amendment under 5 U.S.C. 552(a), 1 CFR part 51, and 14 CFR part 97.20. The applicable FAA Forms are FAA Forms 8260-3, 8260-4, 8260-5, 8260-15A, and 8260-15B when required by an entry on 8260-15A.

The large number of SIAPs, Takeoff Minimums and ODPs, in addition to their complex nature and the need for a special format make publication in the **Federal Register** expensive and impractical. Furthermore, airmen do not use the regulatory text of the SIAPs, Takeoff Minimums or ODPs, but instead refer to their depiction on charts printed by publishers of aeronautical materials. The advantages of incorporation by reference are realized and publication of the complete description of each SIAP, Takeoff Minimums and ODP listed on FAA forms is unnecessary. This amendment provides the affected CFR sections and specifies the types of SIAPs and the effective dates of the associated Takeoff Minimums and ODPs. This amendment also identifies the airport and its location, the procedure, and the amendment number.

The Rule

This amendment to 14 CFR part 97 is effective upon publication of each separate SIAP, Takeoff Minimums and ODP as contained in the transmittal. Some SIAP and Takeoff Minimums and textual ODP amendments may have been issued previously by the FAA in a Flight Data Center (FDC) Notice to Airmen (NOTAM) as an emergency action of immediate flight safety relating directly to published aeronautical charts. The circumstances which created the need for some SIAP and Takeoff Minimums and ODP amendments may require making them effective in less than 30 days. For the remaining SIAPs and Takeoff Minimums and ODPs, an effective date at least 30 days after publication is provided.

Further, the SIAPs and Takeoff Minimums and ODPs contained in this amendment are based on the criteria contained in the U.S. Standard for Terminal Instrument Procedures (TERPS). In developing these SIAPs and Takeoff Minimums and ODPs, the TERPS criteria were applied to the conditions existing or anticipated at the affected airports. Because of the close and immediate relationship between these SIAPs, Takeoff Minimums and ODPs, and safety in air commerce, I find that notice and public procedures before adopting these SIAPs, Takeoff Minimums and ODPs are impracticable and contrary to the public interest, and where applicable, that good cause exists for making some SIAPs effective in less than 30 days.

Conclusion

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. For the same reason, the FAA certifies that this amendment will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Office of Workers' Compensation Programs

RIN 1215-AB66

Claims for Compensation; Death Gratuity Under the Federal Employees' Compensation Act

AGENCY: Office of Workers' Compensation Programs, Employment Standards Administration, Labor.

ACTION: Interim final rule; request for comments.

SUMMARY: This document contains the interim final regulations governing the administration of the death gratuity created by section 1105 of the National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, by the Department of Labor (Department or DOL). Section 1105 provides a death gratuity payment to eligible survivors of

Federal employees and non-appropriated fund instrumentality employees (NAFI employees) who die of injuries incurred in connection with service with an Armed Force in a contingency operation. Section 1105 amended the Federal Employees' Compensation Act (FECA) to add a new section, designated as section 8102a. The Secretary of Labor has the authority to administer and to decide all questions arising under FECA. 5 U.S.C. 8145. FECA authorizes the Secretary to prescribe rules and regulations necessary for the administration and enforcement of the Act. 5 U.S.C. 8149. The Secretary has delegated the authority provided by 5 U.S.C. 8145 and 8149 to the Assistant Secretary for Employment Standards who then delegated that authority to the Director of the Office of Workers' Compensation Programs (OWCP), who is responsible for the administration and implementation of FECA. 20 CFR 1.1. Thus OWCP will administer the adjudication of claims and the payment of the death gratuity under new section 8102a.

DATES: *Effective Date:* This interim final rule is effective on August 18, 2009.

Applicability date: This interim final rule applies to all claims filed on or after August 18, 2009. This rule also applies to any claims that are pending before OWCP on August 18, 2009.

Comments: The Department invites comments on the interim final rule from interested parties. Comments on the interim final rule must be postmarked by October 19, 2009. Written comments on the new information collection requirements in this rule must be postmarked by October 19, 2009.

ADDRESSES: You may submit comments on the interim final rule, identified by Regulatory Information Number (RIN) 1215-AB66, by any ONE of the following methods:

Federal e-Rulemaking Portal: The Internet address to submit comments on the rule is <http://www.regulations.gov>. Follow the Web site instructions for submitting comments.

Mail: Submit written comments to Shelby Hallmark, Director, Office of Workers' Compensation Programs, Employment Standards Administration, U.S. Department of Labor, Room S-3524, 200 Constitution Avenue, NW., Washington, DC 20210. Because of security measures, mail directed to Washington, DC is sometimes delayed. We will only consider comments postmarked by the U.S. Postal Service or other delivery service on or before the deadline for comments.

Instructions: All comments must include the RIN 1215-AB66 for this rulemaking. Receipt of any comments, whether by mail or Internet, will not be acknowledged. Because DOL continues to experience delays in receiving postal mail in the Washington, DC area, commenters are encouraged to submit any comments by mail early.

Comments on the interim final rule will be available for public inspection during normal business hours at the address listed above for mailed comments. Persons who need assistance to review the comments will be provided with appropriate aids such as readers or print magnifiers. Copies of this interim final rule may be obtained in alternative formats (e.g., large print, audiotape or disk) upon request. To schedule an appointment to review the comments and/or to obtain the interim final rule in an alternative format, contact OWCP at 202-693-0031 (this is not a toll-free number).

Written comments on the new information collection requirements described in this interim final rule should be sent to the Office of Information and Regulatory Affairs, Office of Management and Budget, *Attention:* Desk Officer for Employment Standards Administration, Washington, DC 20503.

SUPPLEMENTARY INFORMATION:

I. Background

The National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, was enacted on January 28, 2008. Section 1105 of Public Law 110-181 amended the FECA, creating a new section 8102a. The section establishes a new FECA benefit for eligible survivors of Federal employees and NAFI employees who die of injuries incurred in connection with service with an Armed Force in a contingency operation. The new section 8102a states that the United States will pay a death gratuity of up to \$100,000 to those survivors upon receiving official notification of the employee's death.
