

SUPPLEMENTARY INFORMATION:

OMB Control Number: 1024-0226.

Title: National Park Service

Partnership Satisfaction Surveys.

Form(s): None.

Type of Request: Extension of a currently approved collection of information.

Description of Need: The Government Performance and Results Act requires Federal agencies to prepare annual performance reports documenting the progress made toward achieving long-term goals. The National Park Service needs the information in the proposed collections to assess the annual progress being made toward meeting Long-term Goal IIIb2 of the National Park Service Strategic Plan. Goal IIIb2 performance target is 95% of communities served are satisfied with NPS partnership assistance in providing recreation and conservation benefits on lands and waters. The information sought is not collected elsewhere by the Federal Government. The proposed information collections impose no data collection or record keeping burden on the potential respondents. Responses to the surveys are voluntary and are based on data that the respondents already collect and/or personal opinion. The National Park Service needs this information to help evaluate and improve its partnership assistance programs. NPS' Rivers, Trails and Conservation Assistance Program (RTCA) and Federal Lands to Parks (FLP) Program will conduct surveys to assess client satisfaction with the services received and to identify needed program improvements. The NPS conducts these surveys to identify areas of strengths and weaknesses in its recreation and conservation assistance programs, to provide an information base for improving those programs, and to provide a required performance measurement (Goal IIIb2 of the National Park Service Strategic Plan) under the Government Performance and Results Act.

Affected public: 180 surveys to private sector and public sector contacts for RTCA and 75 surveys for FLP. A total of 255 surveys to be sent in 2010 and 255 surveys to be sent in 2012.

Obligation to respond: Voluntary.

Frequency of response: Biennial.

Estimated total annual responses: 150.

Estimated average completion time per response: 10 minutes.

Estimated annual reporting burden: 26 hours.

Estimated annual nonhour cost burden: \$0.

Comments are invited on: (1) The practical utility of the information being gathered; (2) the accuracy of the burden

hour estimate; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden to respondents, including use of automated information collection techniques or other forms of information technology. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that OMB will be able to do so.

AGENCY: National Park Service, Department of the Interior.

ACTION: Notification of Boundary Revision.

SUMMARY: Notice is hereby given that the boundary of Catoctin Mountain Park in Frederick County, Maryland is modified to include one tract of land adjacent to the park. This revision is made to include privately owned property that the National Park Service wishes to acquire. The National Park Service has determined that inclusion of the tract within the park's boundary will make significant contributions to the purposes for which the park was established. After the United States' acquisition of the tract, the National Park Service will manage the property in accordance with applicable law.

FOR FURTHER INFORMATION CONTACT: National Park Service, Mel Poole, Superintendent, Catoctin Mountain Park, 6602 Foxville Road, Thurmont, Maryland 21788-1598.

DATES: The effective date of this boundary revision is the date of publication in the **Federal Register**.

SUPPLEMENTARY INFORMATION: Executive Order 7496, dated November 14, 1936, transferred all the real property acquired by the former Resettlement Administration, which included the

former Catoctin Recreational Demonstration Area, to the Secretary of the Interior (Secretary), and authorized the Secretary, through the National Park Service, to administer the projects transferred by the aforementioned Executive Order. Section 7(c) of the Land and Water Conservation Fund Act, as amended, authorizes minor boundary revisions to areas within the National Park System after advising the House Committee on Natural Resources and the Senate Committee on Energy and Natural Resources of the proposed boundary amendment. The Committees were notified July 8, 2009. This action will add one tract comprising 63.8 acres of land, more or less, to Catoctin Mountain Park. The acquisition of this tract is intended to enhance the park's natural and ecological integrity and provide for greater recreational opportunities. The tract is identified as Parcels 96 and 243 on Frederick County, Maryland, Tax Map 6. The referenced tract is depicted on Catoctin Mountain Park land acquisition status map segment 01, having drawing number 841/92,001. This map is on file at the National Park Service, Land Resources Program Center, National Capital Region, and at the Office of the Superintendent, Catoctin Mountain Park.
