Number of Respondents: 100 respondents; 100 responses.

Estimated Time per Response: 2 - 60 hours.

Frequency of Response: On occasion reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. sections 151 - 154, 201 - 205, 214, 218 - 220, 254, 303(r), and 403.

Privacy Act Impact Assessment: No.

Nature and Extent of Confidentiality: Pursuant to 47 CFR 0.459 of the Commission's rules, a respondent may request confidential treatment of their information. The respondent must state the reasons they do not want their information in the public record and the facts on which those reasons are based. The appropriate Bureau or Office Chief of the Commission may grant a confidentiality request that presents, by a preponderance of the evidence, a case for non-disclosure consistent with the Freedom of Information Act (FOIA), 5 U.S.C. section 552. If a confidentiality request is denied, the respondent has five days to appeal the decision before the Commission. If the appeal before the Commission is denied, the respondent has five days to seek a judicial stay.

Needs and Uses: The Commission will submit this information collection (IC) to the OMB as an extension during this comment period to obtain the full three-year clearance from them. The Commission reported an increase in the total annual burden in the 60 day notice (74 FR 27544). However, the Commission has determined that the total annual burden was not 9,200 hours but should remain unchanged at 6,200 hours.

Section 214(e)(6) states that a telecommunications carrier that is not subject to the jurisdiction of a state may request that the Commission determine whether it is eligible to receive universal service support. The Commission must evaluate whether such telecommunications carriers meet the eligibility criteria set forth in the Act. The Commission concluded that petitions for designation filed under Section 214(e)(6) relating to "near reservation" areas will not be considered as petitions relating to tribal lands and as a result, petitioners seeking eligible telecommunications carrier (ETC) designation in such areas must follow the procedures outlined in CC Docket No. 96-45, Twelfth Report and Order and Further Notice of Proposed Rulemaking, FCC 00-258 (rel. June 8, 2000), (Tribal Lands Order), for non-tribal lands prior to submitting a request for designation to this Commission under Section 214(e)(6).

There is no change in the estimated burden hours. As detailed in the Supporting Statement that will be submitted to the OMB for review and approval, the Commission proposes changes to certain parts of the FCC Form 498 to improve the efficiency of administering the universal service support mechanism. Specifically, the Commission proposes:

- 1) adding two options for service providers to indicate the reason for submitting the FCC Form 498;
- 2) clarifying the information for the general contact person, the program specific contact persons, and the officer certifying the form;
- 3) requiring the submission of the service provider's Dunn and Bradstreet number;
- 4) eliminating the option to receive paper checks and requiring financial institution remittance information in order to make electronic disbursements in accordance with the requirements of the Debt Collection Improvement Act of 1996;
- 5) requiring the submission of study area codes for service providers that receive High-Cost and Low-Income support; and
- 6) giving service providers the option of choosing more than one business description for their companies.

The information collected on FCC Form 498 is used by the Universal

Service Administrative Company (USAC) to disburse federal universal service support consistent with the specifications of carriers and service providers who participate and receive support from any of the four universal service support mechanisms (High-Cost, Low-Income, Rural Health Care and Schools and Libraries). FCC Form 498 submissions also provide USAC with updated contact information, enabling USAC to contact universal service fund participants when necessary.
