The official public docket is the collection of materials that is available for public viewing at the Enforcement and Compliance Docket Information Center (ECDIC) in the EPA Docket Center, (EPA/DC) EPA West, Room B102, 1301 Constitution Ave., NW., Washington, DC. The EPA Docket Center Public Reading Room is open from 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. An electronic version of the public docket is available through EPA's electronic public docket and comment system (EPA Dockets). You may use EPA Dockets at <http://www.regulations.gov/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in Docket ID No. EPA-HQ-OECA-2008-0803.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public

docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Section I.A.1.

For public commentors, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the Docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public docket along with a brief description written by the docket staff.

B. How and to Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand delivery/courier. To ensure proper receipt by EPA, identify the appropriate docket identification number in the subject line on the first page of your comment. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

1. *Electronically.* If you submit an electronic comment as prescribed below, EPA recommends that you include your name, mailing address, and an e-mail address or other contact information in the body of your comment. Also include this contact information on the outside of any disk

or CD ROM you submit, and in any cover letter accompanying the disk or CD ROM. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. EPA's policy is that EPA will not edit your comment, and any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

i. *EPA Dockets.* Your use of EPA's electronic public docket to submit comments to EPA electronically is EPA's preferred method for receiving comments. Go directly to EPA Dockets at <http://www.regulations.gov/>, and follow the online instructions for submitting comments. Once in the system, select "search," and then key in Docket ID No. EPA-HQ-OECA-2008-0803. The system is an "anonymous access" system, which means EPA will not know your identity, e-mail address, or other contact information unless you provide it in the body of your comment.

ii. *E-mail.* Comments may be sent by electronic mail (e-mail) to docket.oeca@epa.gov, Attention Docket ID No. EPA-HQ-OECA-2008-0803. In contrast to EPA's electronic public docket, EPA's e-mail system is not an "anonymous access" system. If you send an e-mail comment directly to the Docket without going through EPA's electronic public docket, EPA's e-mail system automatically captures your e-mail address. E-mail addresses that are automatically captured by EPA's e-mail system are included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket.

iii. *Disk or CD-ROM.* You may submit comments on a disk or CD-ROM that you mail to the mailing address identified in Section I.A.1. These electronic submissions will be accepted in WordPerfect or ASCII file format. Avoid the use of special characters and any form of encryption.

2. *By Mail.* Send your comments to: Enforcement and Compliance Docket Information Center, Environmental Protection Agency, Mailcode: 2201T, 1200 Pennsylvania Ave., NW., Washington, DC, 20460, Attention Docket ID No. EPA-HQ-OECA-2008-0803.

3. *By Hand Delivery or Courier.* Deliver your comments to the address provided in Section I.A.1., Attention Docket ID No. EPA-HQ-OECA-2008-0803. Such deliveries are only accepted during the Docket's normal hours of operation as identified in Section I.A.1.

C. How Should I Submit CBI to the Agency?

Do not submit information that you consider to be CBI electronically through EPA's electronic public docket or by e-mail. You may claim information that you submit to EPA as CBI by marking any part or all of that information as CBI (if you submit CBI on disk or CD-ROM, mark the outside of the disk or CD-ROM as CBI and then identify electronically within the disk or CD-ROM the specific information that is CBI). Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR Part 2.

In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public docket and EPA's electronic public docket. If you submit the copy that does not contain CBI on disk or CD-ROM, mark the outside of the disk or CD-ROM clearly that it does not contain CBI. Information not marked as CBI will be included in the public docket and EPA's electronic public docket without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person identified in the **FOR FURTHER INFORMATION CONTACT** section.

Specifically, Respondent disclosed that it failed to prepare and implement a Spill Prevention, Control, and Countermeasure (SPCC) plan and/or failed to have adequate secondary containment in violation of CWA section 311(j), 33 U.S.C. 1321(j), and 40 CFR Part 112 for eighteen facilities located in the following states: California, Delaware, Florida, Illinois, Kentucky, New Jersey, New York, Nevada, Oregon, South Carolina, and Texas. Respondent disclosed that it failed to comply with EPCRA section 303, 42 U.S.C. 11003, and the regulations found at 40 CFR 355.30, when it failed to designate a facility emergency coordinator and notify the Local Emergency Planning Committee (LEPC)

at twenty-eight facilities in the following states: California, Delaware, Florida, Illinois, Indiana, New Jersey, New York, Nevada, Oregon, South Carolina, South Dakota, Texas, and Virginia.

EPA, as authorized by EPCRA section 325, 42 U.S.C. 11045, has assessed a civil penalty for these violations.

EPA determined that Respondent satisfactorily completed its audit and has met all conditions of the Compliance Audit Agreement. EPA has proposed a settlement penalty amount of thirty-six thousand and eighty-three dollars (\$36,083). This amount is based on the penalty amounts agreed upon in the Compliance Audit Agreement for certain violations and reflects consideration of potential economic benefit gained by Respondent, attributable to its delayed compliance with the CAA, CWA, and EPCRA regulations, and the potential for harm that could have resulted from the violations.

The total civil penalty assessed for settlement purposes is thirty-six thousand and eighty-three dollars (\$36,083). Respondent has agreed to pay this amount. Class II proceedings under CWA section 311(b)(6), 33 U.S.C. 1321(b)(6), are conducted in accordance with 40 CFR Part 22.
