

current fee. In this formula, “a” equals the average annual costs, “v” equals the percentage of total volume across DCMs over the last three years, and “t” equals

the average annual costs for all DCMs. NFA has no contracts traded; hence, its fee is based simply on costs for the most recent three fiscal years.

This table summarizes the data used in the calculations and the resulting fee for each entity:

	3-year average actual costs	3-year % of volume (percent)	2009 Fee (lesser of actual or calculated fee)
Chicago Board of Trade .....	\$77,371	31.0879	\$77,371
Chicago Mercantile Exchange .....	121,071	55.2977	121,071
New York Mercantile Exchange .....	306,092	11.2605	197,535
Kansas City Board of Trade .....	18,998	0.1591	10,127
ICE Futures U.S. ....	50,712	1.8545	32,683
Minneapolis Grain Exchange .....	124,466	0.0548	62,449
North American Derivatives Exchange .....	28,685	0.0082	14,375
Chicago Climate Futures Exchange .....	24,457	0.0076	12,259
U.S. Futures Exchange .....	37,173	0.0038	18,601
OneChicago .....	1,157	0.2367	1,157
Subtotal .....	790,181	.....	547,628
National Futures Association .....	179,641	.....	179,641
Total .....	969,822	.....	727,270

An example of how the fee is calculated for one exchange, the Minneapolis Grain Exchange, is set forth here:

a. Actual three-year average costs equal \$124,466.

b. The alternative computation is:  
(.5) (\$124,466) + (.5) (.000548) (\$790,181) = \$62,449

c. The fee is the lesser of a or b; in this case \$62,449.

As noted above, the alternative calculation based on contracts traded is not applicable to NFA because it is not a DCM and has no contracts traded. The Commission’s average annual cost for conducting oversight review of the NFA rule enforcement program during fiscal years 2007 through 2009 was \$179,641 (one-third of \$538,923). The fee to be paid by the NFA for the current fiscal year is \$179,641.

**Payment Method**

The Debt Collection Improvement Act (DCIA) requires deposits of fees owed to the government by electronic transfer of funds (See 31 U.S.C. 3720). For information about electronic payments, please contact Angela Clark at (202) 418-5178 or [aclark@cftc.gov](mailto:aclark@cftc.gov), or see the CFTC Web site at <http://www.cftc.gov>, specifically, <http://www.cftc.gov/cftc/cftcelectronicpayments.htm>.

**Regulatory Flexibility Act**

The Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, requires agencies to consider the impact of rules on small business. The fees implemented in this release affect contract markets and registered futures associations. The Commission has previously determined that contract markets and registered

futures associations are not “small entities” for purposes of the Regulatory Flexibility Act. Accordingly, the Chairman, on behalf of the Commission, certifies pursuant to 5 U.S.C. 605(b) that the fees implemented here will not have a significant economic impact on a substantial number of small entities.
