

the Neighborhood Networks contact database and HUD's *Directory of Neighborhood Networks Centers*; and (2) Enhance the Neighborhood Networks Strategic Tracking and Reporting Tool (START) including the Center Classification Tool. This information collection will continue to inform HUD of centers' progress and needs and support center directors and staff in their planning, program development, and implementation and overall performance assessment.

START allows a center to electronically create and update its business plan and center profiles, and is a necessary tool to gather quantifiable demographic information as a basis for ongoing technical assistance for center directors and staff and HUD field staff. Center classification data will ensure effectiveness in creating programs and services that promote self-sufficiency among residents of HUD Multifamily FHA-insured and -assisted housing properties.

Agency form numbers, if applicable: None.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 728 hours. The number of respondents is approximately 738; the number of responses is 1,338; the frequency of response is annually, semi annually, and on occasion; and the burden hour per response is 5.5 hours.

Status of the proposed information collection: Revision of a currently approved collection.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: September 1, 2009.
