Title: Supplemental Information for Change of Program or Reenrollment after Unsatisfactory Attendance, Conduct or Progress, VA Form 22-8873.

OMB Control Number: 2900-0358.

Type of Review: Extension of a currently approved collection.

Abstract: Veterans and other eligible persons may change their program of education under conditions prescribed by Title 38 U.S.C. 3691. A claimant can normally make one change of program without VA approval. VA approval is required if the claimant makes any additional change of program. Before VA can approve benefits for a second or subsequent change of program, VA must first determine that the new program is suitable to the claimant's aptitudes, interests, and abilities, or that the cause of any unsatisfactory progress or conduct has been resolved before entering into a different program. VA Form 22-8873 is used to gather the

necessary information only if the suitability of the proposed training program cannot be established from information already available in the claimant's VA education records or the results of academic or vocational counseling are not available to VA.

Type of Review: Extension of a currently approved collection.

Abstract: VA maintains supervision of the distribution and use of VA benefits paid to fiduciaries on behalf of VA claimants who are incompetent, a minor, or under legal disability. The forms are used to verify beneficiaries' deposit remaining at a financial institution against a fiduciary's accounting. The following forms will be used to ensure claimants' benefits payments are administered properly.

a. VA Forms 21-4706, 4706b and 4706c are used by estate to determine proper usage of benefits paid to fiduciaries. The 21-4706 and 21-4706b are both necessary to conform to requirement of various state courts.

b. VA Form 21-4718 is provided to VA fiduciaries to submit accountings to either State courts or the VA. It is not a reporting form per se but a vehicle to assist the fiduciary in accurately maintaining records of monies received and spent.

c. VA Form 21-4718a—Fiduciaries are required to obtain certifications that the balances remaining on deposit in financial institutions as shown on accountings are correct. Certifying official at a financial institution completing the form must affix the institution's official seal or stamp. The data collected is used to appoint an appropriate fiduciary for a VA beneficiary and to prevent fiduciaries from supplying false certification, embezzling funds, and possibly prevent and/or identify fraud, waste and abuse of government funds paid to fiduciaries on behalf of VA beneficiaries.
