The Department of Labor invites public comment on whether these products (and/or other products, regardless of whether they are mentioned in this Notice) should be included on the updated List of products requiring Federal contractor certification as to the use of forced or indentured child labor. To the extent possible, comments provided should address the Procedural Guideline factors discussed above. The Department is also interested in public comments relating to whether products initially determined to be on the List are designated with appropriate specificity and what, if any, alternative designations would better serve the purposes of EO 13126.

The bibliographies providing the preliminary basis for including each product on the list are available on the Internet at <http://www.dol.gov/ILAB/regs/eo13126/main.htm>.

As explained, following receipt and consideration of comments on the updated List set out above, the Department of Labor, in consultation and cooperation with the Departments of State Homeland Security, will issue a final determination in the **Federal Register** providing a final list of products. The Department of Labor intends to continue to revise the List

periodically, to add and/or delete products, as justified by new information.

Signed at Washington, DC, this 2nd day of September 2009.

Sandra Polaski,

Deputy Undersecretary, Bureau of International Labor Affairs.

OFFICE OF MANAGEMENT AND BUDGET

Compliance Assistance Resources and Points of Contact Available to Small Businesses

AGENCY: Office of Management and Budget, Executive Office of the President.

ACTION: Notice.

SUMMARY: In accordance with the Small Business Paperwork Relief Act of 2002 (44 U.S.C. 3520), the Office of Management and Budget (OMB) is publishing a “list of the compliance assistance resources available to small businesses” and a list of the points of contacts in agencies “to act as a liaison between the agency and small business concerns” with respect to the collection of information and the control of paperwork. This information is posted on the following Web site: <http://www.business.gov/business-law/contacts/federal/>.

FOR FURTHER INFORMATION CONTACT: Wendy Liberante, Office of Information and Regulatory Affairs, Office of Management and Budget, E-mail: wliberante@omb.eop.gov, Telephone: (202) 395-3647. Inquiries may be submitted by facsimile to (202) 395-5167.

SUPPLEMENTARY INFORMATION: The Small Business Paperwork Relief Act of 2002 (Pub. L. 107-198) requires OMB to “publish in the **Federal Register** and make available on the Internet (in consultation with the Small Business Administration) on an annual basis a list of the compliance assistance resources available to small businesses” (44 U.S.C. 3504(c)(6)). OMB has, with the active assistance and support of the Small Business Administration (SBA) and the Business Gateway Program, assembled a list of the compliance assistance resources available to small businesses. This list is available today on the following Web site: <http://www.business.gov/business-law/contacts/federal/>. There is also a link to this information on the OMB Web site. In addition, under another provision of

this Act, “each agency shall, with respect to the collection of information and the control of paperwork, establish 1 point of contact in the agency to act as a liaison between the agency and small business concerns” (44 U.S.C. 3506(i)(1)). These contacts are also available at <http://www.business.gov/business-law/contacts/federal/>. OMB and SBA have chosen to discharge this statutory responsibility by publishing agency compliance contact information on the business.gov Web site. Business.gov delivers compliance information to the public more effectively than having businesses go to individual agency Web sites, thereby improving the probability of success for business owners and agency regulatory programs. The public is not only able to find agency points of contact for compliance under the “contacts and help” tab on Business.gov, but when users look for information in the “small business guides” on particular topics, the relevant agency points of contact automatically appear as part of the guide.

Kevin Neyland,

Acting Administrator, Office of Information and Regulatory Affairs.
