

ORO serves as the regional component of HRSA by: (1) Providing leadership on HRSA's mission, goals, priorities and initiatives in regions, States and territories; (2) providing ongoing surveillance and analysis of health care environmental trends and making recommendations to HRSA Senior Management and other government officials on ways to improve the effectiveness of policies and programs; (3) generating and sustaining collaborative efforts between State health care leaders, HRSA managers and HRSA program resources in each State to improve public health and health care systems; (4) fostering greater alignment and collaboration between HRSA's assets, private and other public assets in communities, in pursuit of commonly held goals and improved/integrated systems of care; (5) providing assistance to grant recipients in partnership with HRSA program leaders, including: (a) the conduct of performance reviews, (b) the conduct of site visits for grantees with problems meeting program requirements or demonstrating poor operational performance, (c) the conduct of other types of site visits in support of HRSA programs, and (d) the collection and dissemination of leading/innovative practices; (6) providing support for recruitment and retention of primary health care providers in Health Professions Shortage Areas; (7) conducting other activities designed to improve access to quality care, reduce disparities and improve public health in accordance with HRSA authorities and in partnership with related public and private sector organizations; and (8) exercising line management authority related to general administrative and management functions of ORO.

Section RB-30, Delegations of Authority

All delegations of authority and re-delegations of authority made to HRSA officials that were in effect immediately prior to this reorganization, and that are consistent with this reorganization, shall continue in effect pending further re-delegation.

This reorganization is effective upon the date of signature.

Dated: September 14, 2009.

Mary K. Wakefield,
Administrator.

(4) *E-mail.* Submit comments to FEMA-POLICY@dhs.gov. Include docket ID FEMA-2009-0001 in the subject line.

All submissions received must include the agency name and docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy Act notice that is available on the Privacy and Use Notice link on the Administration Navigation Bar of <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: Contact Alexander Mrazik, Program Analyst, Grant Programs Directorate,

202-786-9732 for additional information. You may contact the Records Management Branch for copies of the proposed collection of information at facsimile number (202) 646-3347 or e-mail address: FEMA-Information-Collections@dhs.gov.

SUPPLEMENTARY INFORMATION: The Freight Rail Security Grant Program (FRSGP) is a component of the Transit Security Grant Program (TSGP) and funds security training for railroad frontline employees, the completion of vulnerability assessments, the development of security plans and the acquisition of GPS tracking on railroad cars within the freight rail industry. The FRSGP is one tool among a comprehensive set of measures authorized by Congress and implemented by the Administration to help strengthen the Nation's critical infrastructure against risks associated with potential terrorist attacks.

The collection of information for FRSGP is mandated by section 1513, Title XV of the *Implementing Recommendations of the 9/11 Commission Act of 2007* (6 U.S.C. 1163) which states that the Secretary, in consultation with the Administrator of the Transportation Security Administration and other appropriate agencies or officials, is authorized to make grants to railroad carriers, the Alaska Railroad, security-sensitive materials (SSM) offerors who ship by railroad, owners of railroad cars used in the transportation of security-sensitive materials, State and local governments (for railroad passenger facilities and infrastructure not owned by Amtrak), and Amtrak for intercity passenger railroad and freight railroad security improvements. Additionally, the Secretary shall determine the requirements for recipients of grants and may award grants based upon railroad carrier vulnerability assessments and security plans.

Collection of Information

Title: FEMA FY 2009 Preparedness Grants: Freight Rail Security Grant Program (FRSGP).

Type of Information Collection: New information collection.

OMB Number: OMB No. 1660-NEW2.

Form Titles and Numbers: FEMA Form 089-6, FRSGP Investment Justification.

Abstract: The FRSGP Investment Justification is submitted with the application which provides narrative details on proposed investments. These Investment Justifications must demonstrate how proposed projects address gaps and deficiencies in current programs and capabilities and the

ability to provide enhancements consistent with the purpose of the program and guidance provided by FEMA. The data from the Investment Justification (IJ) is collected to assist decision-making at all levels, although,

it is primarily used by individual application reviewers. FRSGP application data, including the IJ, is evaluated to determine which applications are the highest-scoring and

address the program priorities stated in the grant guidance.
Affected Public: Business or other for-profit.
Estimated Total Annual Burden Hours: 9,600 hours.

TABLE A.12—ESTIMATED ANNUALIZED BURDEN HOURS AND COSTS

Type of respondent	Form name/form No.	Number of respondents	Number of responses per respondent	Avg. burden per response (in hours)	Total annual burden (in hours)	Avg. hourly wage rate*	Total annual respondent cost

SUPPLEMENTARY INFORMATION: The Trucking Security Program (TSP) is authorized by the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009, Public Law 110-329. TSP is an important part of the Administration's larger, coordinated effort to strengthen homeland security preparedness, including the security of America's critical infrastructure. TSP implements objectives addressed in a series of post-9/11 laws, strategy documents, plans, Executive Orders, and Homeland Security Presidential Directives. Of particular significance are the National Preparedness Guidelines and its associated work products, including the National Infrastructure Protection Plan and its transportation sector-specific
