APPENDIX B**Standard Routine Uses—NASA**

The following routine uses of information contained in SORs, subject to the Privacy Act of 1974, are standard for many NASA systems. They are cited by reference in the paragraph "Routine uses of records maintained in the system, including categories of users and the purpose of such uses" of the **Federal Register** Notice on those systems to which they apply.

Standard Routine Use No. 1—LAW ENFORCEMENT—In the event this system of records indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute or particular program statute, or by regulation, rule or order issued pursuant thereto, the relevant records in the SOR may be referred, as a routine use, to the appropriate agency, whether Federal, State, local or foreign, charged with the responsibility of investigating or prosecuting such violation or charged with enforcing or implementing the statute, or rule, regulation or order issued pursuant thereto.

Standard Routine Use No. 2—DISCLOSURE OF REQUESTED INFORMATION—A record from this SOR may be disclosed as a "routine use" to a Federal, State, or local agency maintaining civil, criminal, or other relevant enforcement information or other pertinent information, such as current licenses, if necessary to obtain information relevant to an agency decision concerning the hiring or retention of an employee, the issuance of a security clearance, the letting of a contract, or the issuance of a license, grant, or other benefit.

Standard Routine Use No. 3—DISCLOSURE OF REQUESTED INFORMATION—A record from this SOR may be disclosed to a Federal agency, in response to its request, in connection with the hiring or retention of an employee, the issuance of a security clearance, the reporting of an investigation of an employee, the letting of a contract, or the issuance of a license, grant, or other benefit by the requesting agency, to the extent that the information is relevant and necessary to the requesting agency's decision on the matter.

Standard Routine Use No. 4—DISCLOSURE TO THE DEPARTMENT OF JUSTICE FOR USE IN LITIGATION—It shall be a routine use of the records in this system of records to disclose them to the Department of Justice when (a) the Agency, or any component thereof; or (b) any employee of the Agency in his or her official capacity; or

(c) any employee of the Agency in his or her individual capacity where the Department of Justice or the Agency has agreed to represent the employee; or (d) the United States, where the Agency determines that litigation is likely to affect the Agency or any of its components, is a party to litigation or has an interest in such litigation, and the use of such records by the Department of Justice or the Agency is deemed by the Agency to be relevant and necessary to the litigation provided, however, that in each case it has been determined that the disclosure is compatible with the purpose for which the records were collected.

Standard Routine Use 5—ROUTINE USE FOR AGENCY DISCLOSURE IN LITIGATION—It shall be a routine use of the records in this system of records to disclose them in a proceeding before a court or adjudicative body before which the agency is authorized to appear, when: (a) The Agency, or any component thereof; or (b) any employee of the Agency in his or her official capacity; or (c) any employee of the Agency in his or her individual capacity where the Agency has agreed to represent the employee; or (d) the United States, where the Agency determines that litigation is likely to affect the Agency or any of its components, is a party to litigation or has an interest in such litigation, and the use of such records by the Agency is deemed to be relevant and necessary to the litigation, provided, however, that in each case, the Agency has determined that the disclosure is compatible with the purpose for which the records were collected.

Standard Routine Use No. 6—SUSPECTED OR CONFIRMED CONFIDENTIALITY COMPROMISE—A record from this SOR may be disclosed to appropriate agencies, entities, and persons when (1) NASA suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; (2) NASA has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by NASA or another agency or entity) that rely upon the compromised information; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with NASA's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.
