

Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be submitted to OMB via facsimile to (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

(1) *Type of Information Collection:* Proposed collection.

(2) *Title of the Form/Collection:* OVW Solicitation Template.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-XXXX. U.S. Department of Justice, OVW.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: The affected public includes applicants to OVW grant programs authorized under the Violence Against Women Act of 1994 and reauthorized and amended by the Violence Against Women Act of 2000 and the Violence Against Women Act of 2005. These include States, territory, Tribe or unit of local government; State, territorial, tribal or unit of local governmental entity; institutions of higher education including colleges and universities; tribal organizations; Federal, State, tribal, territorial or local courts or court-based programs; State sexual assault coalition, State domestic violence coalition; territorial domestic violence or sexual assault coalition; tribal coalition; tribal organization; community-based organizations and

non-profit, nongovernmental organizations. The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program solicitation outlines the specifics of the funding program; describes the requirements for eligibility; instructs an applicant on the necessary components of an application under a specific program (e.g. project activities and timeline, proposed budget): And provides registration dates, due dates, and instructions on how to apply within the designated application system.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that information will be collected annually from the approximately 1800 respondents (applicants to the OVW grant programs). The public reporting burden for this collection of information is estimated at up to 30 hours per application. The 30-hour estimate is based on the amount of time to prepare a narrative, budget and other materials for the application as well to coordinate with and develop a memorandum of understanding with requisite project partners.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 54,000 hours.

*If additional information is required contact:* Lynn Bryant, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: September 24, 2009.

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Clean Diesel V

Notice is hereby given that, on August 25, 2009, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Southwest Research Institute—Cooperative Research Group on Clean Diesel V ("Clean Diesel V") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, China Automotive Engineering Research Institute Co. Ltd. (CAERI), Chongqing, PEOPLE'S REPUBLIC OF CHINA, has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Clean Diesel V intends to file additional written notifications disclosing all changes in membership.

On January 10, 2008, Clean Diesel V filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on February 25, 2008 (73 FR 10064).

The last notification was filed with the Department on June 17, 2009. A notice was published in the **Federal**
