The applicant requests authorization to import up to eight non-releasable harbor seals (*Phoca vitulina*) from the Vancouver Aquarium Science Center, Vancouver, British Columbia, Canada to the Oregon Coast Aquarium. The applicant requests these imports for the purpose of public display. The receiving facility, Oregon Coast Aquarium, 2820 S.E. In compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 *et seq.*), an initial determination has been made that the activity proposed is categorically excluded from the requirement to prepare an environmental assessment or environmental impact statement.

Concurrent with the publication of this notice in the **Federal Register**, NMFS is forwarding copies of this application to the Marine Mammal Commission and its Committee of Scientific Advisors.
