**SUPPLEMENTARY INFORMATION:** Section 931 of the PHS Act, 42 U.S.C. 299c, provides that the Secretary shall appoint to the National Advisory Council for Healthcare Research and Quality twenty-one appropriately qualified individuals. At least seventeen members shall be representatives of the public and at least one member shall be a specialist in the rural aspects of one or more of the professions or fields listed in the above summary. In addition, the Secretary designates, as ex officio members, representatives from other Federal agencies specified in the authorizing legislation, principally agencies that conduct or support health care research, as well as Federal officials the Secretary may consider appropriate. The Council meets in the Washington, DC metropolitan area, generally in Rockville, Maryland, approximately three times a year to provide broad guidance to the Secretary and AHRQ's Director on the direction of and programs undertaken by AHRQ.

Seven individuals will be selected presently by the Secretary to serve on the Council beginning with the meeting in the spring of 2010. Members generally serve 3-year terms. Appointments are staggered to permit an orderly rotation of membership.

Interested persons may nominate one or more qualified persons for membership on the Council. Self-nominations are accepted. Nominations shall include: (1) A copy of the nominee's résumé or curriculum vitae; and (2) a statement that the nominee is willing to serve as a member of the Council. Selected candidates will be asked to provide detailed information concerning their financial interests, consultant positions and research grants and contracts, to permit evaluation of possible sources of conflict of interest.

The Department seeks a broad geographic representation. In addition, AHRQ conducts and supports research concerning priority populations, which include: Low-income groups; minority groups; women; children; the elderly; and individuals with special health care needs, including individuals with disabilities and individuals who need chronic care or end-of-life health care. See 42 U.S.C. 299(c). Nominations of candidates with expertise in health care for these priority populations are encouraged.

Dated: October 2, 2009.

**SUPPLEMENTARY INFORMATION:** In  
accordance with 24 CFR part 581 and  
section 501 of the Stewart B. McKinney  
Homeless Assistance Act (42 U.S.C.  
11411), as amended, HUD is publishing  
this Notice to identify Federal buildings  
and other real property that HUD has  
reviewed for suitability for use to assist  
the homeless. The properties were  
reviewed using information provided to  
HUD by Federal landholding agencies  
regarding unutilized and underutilized  
buildings and real property controlled  
by such agencies or by GSA regarding  
its inventory of excess or surplus  
Federal property. This Notice is also  
published in order to comply with the  
December 12, 1988 Court Order in  
*National Coalition for the Homeless v.*

*Veterans Administration*, No. 88-2503-  
OG (D.D.C.).

*Properties reviewed are listed in this  
Notice according to the following  
categories:* Suitable/available, suitable/  
unavailable, suitable/to be excess, and  
unsuitable. The properties listed in the  
three suitable categories have been  
reviewed by the landholding agencies,  
and each agency has transmitted to  
HUD: (1) Its intention to make the  
property available for use to assist the  
homeless, (2) its intention to declare the  
property excess to the agency's needs, or  
(3) a statement of the reasons that the  
property cannot be declared excess or  
made available for use as facilities to  
assist the homeless.

Properties listed as suitable/available  
will be available exclusively for  
homeless use for a period of 60 days  
from the date of this Notice. Where  
property is described as for "off-site use  
only" recipients of the property will be  
required to relocate the building to their  
own site at their own expense. Homeless

such property should send a written  
expression of interest to HHS, addressed

(This is not a toll-free number.) HHS  
will mail to the interested provider an  
application packet, which will include  
instructions for completing the application.  
In order to maximize the opportunity to  
utilize a suitable property, providers  
should submit their written expressions  
of interest as soon as possible. For  
complete details concerning the  
processing of applications, the reader is  
encouraged to refer to the interim rule  
governing this program, 24 CFR part  
581.

For properties listed as suitable/to be  
excess, that property may, if  
subsequently accepted as excess by  
GSA, be made available for use by the  
homeless in accordance with applicable  
law, subject to screening for other  
Federal use. At the appropriate time,  
HUD will publish the property in a  
Notice showing it as either suitable/  
available or suitable/unavailable.

For properties listed as suitable/  
unavailable, the landholding agency has  
decided that the property cannot be  
declared excess or made available for  
use to assist the homeless, and the  
property will not be available.

Properties listed as unsuitable will  
not be made available for any other  
purpose for 20 days from the date of this  
Notice. Homeless assistance providers  
interested in a review by HUD of the  
determination of unsuitability should

call the toll-free information line at 1-  
800-927-7588 for detailed instructions
