#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

Certified Trade Missions are international trade events that have been accepted into the U.S. Department of Commerce's (DOC) trade promotion events program. Certified Trade Missions can be planned, organized and led by both Federal and non-Federal government export promotion agencies such as industry trade associations, State and local government agencies, Congressional representatives, chambers of commerce, regional groups and other export-oriented groups.

The Certified Trade Mission Program Application form is the vehicle by which individual mission organizers apply, and if accepted agree, to participate in the DOC's trade promotion events program, recruit U.S. companies, identify the products or services they intend to sell or promote, and report on results. The collection of information is required for DOC to properly assess the credentials of the missions and applicants.

#### Chlorinated Isocyanurates From the People's Republic of China: Notice of Extension of Time Limit for Final Results of Semi-Annual New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 13, 2009.

**FOR FURTHER INFORMATION CONTACT:** Lilit Astvatsatrian, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6412.

#### Background

On July 27, 2009, the Department of Commerce ("the Department") published the preliminary results of a

semi-annual new shipper review of the antidumping duty order on chlorinated isocyanurates from the People's Republic of China, covering the period June 1, 2008, through November 30, 2008, and the exporter, Juancheng Kangtai Chemical co., Ltd. ("Kangtai"). See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results of June 2008 through November 2008 Semi-Annual New Shipper Review*, 74 FR 37007 (July 27, 2009). The final results are currently due on October 18, 2009.

#### Extension of Time Limits for Final Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(i)(1) require the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the 90-day period for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

As a result of issues raised in this new shipper review, specifically the issue of collapsing Kangtai into a single entity with its affiliated supplier, certain surrogate values, and surrogate financial ratios, the Department determines that this new shipper review is extraordinarily complicated and it cannot complete this new shipper review within the current time limit. Accordingly, the Department is extending the time limit for the completion of the final results by 60 days until December 17, 2009, in accordance with sections 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: October 6, 2009.

#### Chlorinated Isocyanurates from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** October 13, 2009.

#### FOR FURTHER INFORMATION CONTACT:

Jennifer Moats or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5047 or (202) 482-0650, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Background

On June 8, 2009, the Department of Commerce ("the Department") published the preliminary results of the administrative review of the antidumping duty order on chlorinated isocyanurates from the People's Republic of China ("PRC"). See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results of Administrative Review*, 74 FR 27104 (June 8, 2009). This review covers the period June 1, 2007, through May 31, 2008. The final results of review are currently due no later than October 6, 2009.

#### Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of this review within the 120-day period is not practicable because the Department needs additional time to analyze and address complicated by-product and surrogate value issues for the final results. Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review by 30 days in accordance with

section 751(a)(3)(A) of the Act. Therefore, the final results will be due Thursday, November 5, 2009, which is 150 days from publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: October 2, 2009.

#### Certain Frozen Warmwater Shrimp From Thailand: Final Results of Antidumping Duty Changed Circumstances Review and Notice of Revocation in Part

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 13, 2009.

**SUMMARY:** On August 5, 2009, the Department of Commerce (the Department) published a notice of preliminary results of changed circumstances review of the antidumping duty order on frozen warmwater shrimp (shrimp) from Thailand. In that notice, we preliminarily determined that it was appropriate to treat the Rubicon Group inclusive of Phatthana Frozen Food Co., Ltd. (PFF) and Sea Wealth Frozen Food Co., Ltd. (Sea Wealth) as the successor-in-interest to the Rubicon Group as it operated during the period of investigation (POI) of the less-than-fair-value (LTFV) investigation. Further, we preliminarily determined that it was appropriate to revoke PFF and Sea Wealth from the antidumping duty order on shrimp from Thailand, effective as of January 16, 2009. See *Certain Frozen Warmwater Shrimp From Thailand: Preliminary Results of Antidumping Duty Changed Circumstances Review and Notice of Intent to Revoke in Part*, 74 FR 39042 (Aug. 5, 2009) (*Preliminary Results*). For these final results the Department continues to find that the current form of the Rubicon Group, inclusive of PFF and Sea Wealth, is the successor-in-interest to the Rubicon Group as it operated during the LTFV investigation. Accordingly, we are revoking PFF and Sea Wealth from the antidumping duty
