New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of a public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a public meeting of its Scallop Committee in November, 2009 to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this group will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This meeting will be held on Tuesday, November 3, 2009, at 9 a.m.

ADDRESSES: This meeting will be held at the Hilton Providence, 21 Atwells Avenue, Providence, RI 02903;

telephone: (401) 831-3900; fax: (401) 751-0007.

Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Paul J. Howard, Executive Director, New England Fishery Management Council; telephone: (978) 465-0492.

SUPPLEMENTARY INFORMATION: The Committee will review Scallop Framework 21 alternatives and analyses. Framework 21 is considering measures for the 2010 fishing year including compliance with the first reasonable and prudent measure required in the recent turtle biological opinion, fishery specifications for both the limited access and general category fleets, area rotation adjustments including consideration of a new scallop access area on Georges Bank, and other measures including minor adjustments to the observer set-aside program. The Council is scheduled to make final decision on this action at the November Council meeting and the Scallop Committee may identify preferred alternatives for the Council to consider. The committee may discuss other topics at their discretion.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
