Certain Pasta From Turkey: Final Results of Countervailing Duty Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On January 28, 2009, the Department of Commerce ("the Department") published a notice of initiation of a changed circumstances review ("CCR") of the countervailing duty ("CVD") order on certain pasta from Turkey as requested by Marsan Gida Sanayi ve Ticret A.S. ("Marsan"). See *Notice of Initiation of Countervailing Duty Changed Circumstances Review: Certain Pasta from Turkey*, 74 FR 4938 (January 28, 2009) ("Initiation Notice"). On September 15, 2009, we published our preliminary results of the CVD CCR. See *Certain Pasta From Turkey: Preliminary Results of Countervailing Duty Changed Circumstances Review*, 74 FR 47225 (September 15, 2009) ("Preliminary Results"). Pursuant to the new criteria outlined in the *Preliminary Results*, we preliminarily found that Marsan is not the successor to Gidasa Sabanci Gida Sanayi ve Ticaret A.S. ("Gidasa") for purposes of the CVD cash deposit rates. We invited interested parties to comment on these preliminary results and we received comments from Marsan. For the final results, we continue to find that Marsan is not the successor to Gidasa, for purposes of the CVD cash deposit rates, and therefore its merchandise should continue to enter under the "all others" cash deposit rate.

EFFECTIVE DATE: October 21, 2009.

FOR FURTHER INFORMATION CONTACT:

Shelly Atkinson, or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0116 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 24, 1996, the Department published in the **Federal Register** the order on certain pasta from Turkey. See *Notice of Countervailing Duty Order: Certain Pasta ("Pasta") From Turkey*, 61 FR 38546 (July 24, 1996). On December 3, 2008, Marsan requested that the Department initiate and conduct expedited CCRs to determine that, for purposes of the antidumping duty ("AD") and CVD cash deposit rates, Marsan is the successor to Gidasa. See Marsan's December 3, 2008, submission entitled, "Pasta from Turkey: Request for Expedited Changed Circumstances Review of AD/CVD Orders" ("CCR Request"). On January 28, 2009, the Department published a notice of initiation of a CCR of the CVD order for Marsan. See *Initiation Notice*. On April 16, 2009, the Department requested additional information and issued a questionnaire to Marsan, to which it responded on May 1, 2009. See Marsan's May 1, 2009, response entitled, "Pasta from Turkey: Marsan response to the supplemental questionnaire."

On April 14, 2009, and June 2, 2009, the Department published its preliminary and final results, respectively, for the CCR of the AD order on certain pasta from Turkey and found that Marsan was the successor-in-interest to Gidasa for AD cash deposit purposes. See *Certain Pasta from Turkey: Notice of Preliminary Results of Antidumping Duty Changed Circumstances Review*, 74 FR 17153 (April 14, 2009); *Certain Pasta from Turkey: Notice of Final Results of Antidumping Duty Changed Circumstances Review*, 74 FR 26373 (June 2, 2009). On September 15, 2009, the Department published the preliminary results of the CVD CCR of the CVD order on pasta from Turkey and preliminarily found that, based on the Department's new methodology and criteria to analyze successorship claims in CVD CCRs, Marsan was not the successor to Gidasa, for purposes of the CVD cash deposit rate, and therefore its merchandise should continue to enter under the "all others" cash deposit rate. See *Preliminary Results*. We invited
