Petitions Requesting Modifications of Product Eligibility

In a **Federal Register** notice dated May 28, 2009, USTR announced that the deadline for the filing of product petitions, other than those requesting waivers of "competitive need limitations" (CNLs), country practice petitions for the 2009 GSP Annual Review was June 24, 2009 (74 FR 25605). The deadline for the filing of product petitions requesting waivers of

the CNLs and determinations that any eligible products were not produced in the United States as of January 1, 1995, was announced to be November 17, 2009.

The petitions that were received requested 164 modifications in the list of GSP-eligible products by adding new products for eligibility from all GSP beneficiaries, by removing products from eligibility when imported from specific GSP-eligible countries, or other changes. The interagency GSP Subcommittee of the Trade Policy Staff Committee (TPSC) has reviewed the product petitions, and the TPSC has decided to accept for review the product petitions listed in "List of Petitions Accepted in the 2009 GSP Annual Product Review" posted on the USTR Web site and available on Regulations.gov docket number USTR-2009-0036. That list sets forth, for each type of change requested: the case number, the Harmonized Tariff Schedule of the United States (HTS) subheading number, a brief description of the product (see the HTS for an authoritative description available on the U.S. International Trade Commission Web site <http://www.usitc.gov/tata/hts/>), and the petitioner for each petition included in this review. Acceptance of a petition for review does not indicate any opinion with respect to the disposition on the merits of the petition. Acceptance indicates only that the listed petitions have been found eligible for review by the TPSC and that such review will take place.

The GSP Subcommittee of the TPSC invites testimony at the public hearing, based on receipt of requests to testify, and comments in support of or in opposition to any petition which has been accepted thus far for the 2009 GSP Annual Product Review. Submissions should comply with 15 CFR Part 2007, except as modified below. All submissions should identify the subject article(s) in terms of the case number and eight digit HTSUS subheading number, if applicable, as shown in the "List of Petitions Accepted in the 2009 GSP Product Annual Review" available at: <http://www.ustr.gov/trade-topics/trade-development/preference-programs/generalized-system-preference-gsp/current-review-1> [2009 Annual Review].
