## DEPARTMENT OF COMMERCE

### International Trade Administration

(A-351-840)

#### **Certain Orange Juice from Brazil; Notice of Extension of Time Limits for Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** October 28, 2009.

**FOR FURTHER INFORMATION CONTACT:**

Elizabeth Eastwood or Hector Rodriguez, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-0629, respectively.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On April 27, 2009, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on certain orange juice from Brazil. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 19042 (April 27, 2009). The period of review is March 1, 2008, through February 28, 2009, and the preliminary results are currently due no later than December 1, 2009. The review covers two producers/exporters of the subject merchandise to the United States.

#### **Extension of Time Limit for Preliminary Results**

Pursuant to section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. Section 751(a)(3)(A) of the Act further

provides, however, that the Department may extend the 245-day period up to 365 days if it determines it is not practicable to complete the review within the foregoing time period. We determine that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act because we are unable to conduct verifications required for both respondents before the preliminary results. Therefore, we have fully extended the deadline for completing the preliminary results until March 31, 2010. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: October 22, 2009.

**John M. Andersen,**

*Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.*

## DEPARTMENT OF COMMERCE

### National Institute of Standards and Technology

#### **Smart Grid Interoperability Panel Governing Board, request for nominations; and request for comments on draft Smart Grid Interoperability Panel Charter and Bylaws**

**AGENCY:** National Institute of Standards and Technology (NIST), Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** The National Institute of Standards and Technology, on behalf of its contractor, EnerNex Corp., seeks nominations for members to serve on an initial Smart Grid Interoperability Panel Governing Board (SGIPGB), which will consist of approximately 27 voting members. EnerNex Corp. was competitively selected to help NIST establish and administer the Smart Grid Interoperability Panel (SGIP) and its Governing Board, which will identify, prioritize and address new and emerging requirements for Smart Grid interoperability and security.

Approximately 22 members of the SGIP Governing Board will be elected by stakeholder categories as listed in the draft SGIP Charter and Bylaws, which are posted on the Internet at: <http://collaborate.nist.gov/twiki-sggrid/bin/view/SmartGrid/SGIP>. Three SGIPGB

members will be at-large members, and two will be the chairs of two SGIP Committees. The SGIPGB will also have several ex officio, non-voting members who will not be elected. All seats are open, and candidates are sought from each stakeholder category, as well as for the at-large positions.

NIST and EnerNex Corp. also request comments on the SGIP draft Charter and Bylaws, which are posted on the Internet at the Web site given above. Comments on this document can be made directly to the document's online comment section.

**DATES:** Nominations for the SGIPGB must be received on or before November 27, 2009. Nominations received by November 6, 2009, will be considered to be placed on the ballot for the initial SGIP Governing Board. Nominations received after that date will be considered for any positions for which nominations were not received by November 6, 2009, and for vacancies that may occur prior to the next call for candidates.

Comments on the SGIP Charter and Bylaws received before Nov. 6, 2009 will be incorporated into the initial documents. Comments received after that date will be considered for later amendments.

**ADDRESSES:** Nominations may be sent by e-mail, fax, or by mail to the SGIP Administrator: e-mail, [sgipgb.administrator@energex.com](mailto:sgipgb.administrator@energex.com); fax, (865) 218-8999; mail, SGIPGB Administrator, EnerNex Corporation, 620 Mabry Hood Road, Suite 300, Knoxville, TN 37932.

The draft SGIP Charter and Bylaws are posted on the Internet at: <http://collaborate.nist.gov/twiki-sggrid/bin/view/SmartGrid/SGIP>. Comments on these documents can be made directly to the document's online comment section.

**FOR FURTHER INFORMATION CONTACT:** George Arnold, 100 Bureau Drive, Stop 8100, National Institute of Standards and Technology, Gaithersburg, MD 20899-8100, telephone (301) 975-5627.

**SUPPLEMENTARY INFORMATION:** While compiling the elements needed for a complete candidate submission, NIST encourages potential candidates to initially indicate their intent to submit as soon as possible through a simple e-mail.

*A complete submission should include:*

- Candidate name and contact information.
- Proposer name and contact information (if not the candidate).
