

\$58.12 (4 hours per entity) and an average hourly wage of legal staff time of \$40.87 (4 hours per entity).¹² Thus, cumulatively, estimated labor costs to comply with the Orders will be \$79,192 ((\$58.12 x 800 hours) + (\$40.87 x 800 hours)). The actual cost may be lower to the extent clerical personnel handle some of the tasks.

Staff anticipates that industry members maintain most, if not all, of the material sought in the orders in the normal course of business because they must disclose the information to customers under existing law. Moreover, to the extent that information sought is not generated in the normal course of business, any associated non-labor cost should be de minimis.

Willard K. Tom,

General Counsel.

GENERAL SERVICES ADMINISTRATION

[OMB Control No. 3090-0283]

Office of the Chief Information Officer; Submission for OMB Review; Temporary Contractor Information Worksheet

AGENCY: Office of Enterprise Solutions (IA), Office of the Chief Information Officer (OCIO), General Services Administration (GSA).

ACTION: Notice of request for comments regarding a renewal to an existing OMB clearance.

SUMMARY: In accordance with the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*), the General Services Administration invites the general public and Federal agencies to comment on the renewal of an information collection request for the collection of personal data to authorize and initiate investigation requests for GSA temporary contractors. GSA requires OMB approval for this collection to make determinations on granting unescorted physical access to GSA-controlled facilities. The approval is critical for GSA to meet the anticipated increase in number of temporary contractors as a result of the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5). A request for public comments was published in the **Federal Register** at 74 FR 22930 on May 15, 2009.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected.

DATES: Submit comments on or before: December 4, 2009.

ADDRESSES: Submit comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the GSA Desk Officer, OMB, Room 10236, NEOB, Washington, DC 20503, and a copy to the Regulatory Secretariat (MVPR), General Services

Administration, 1800 F Street, NW., Room 4041, Washington, DC 20405. Please cite OMB Control No. 3090-0283, Temporary Contractor Information Worksheet.

FOR FURTHER INFORMATION CONTACT: Mr. William Erwin, Program Manager, HSPD-12 Program Management Office, GSA, 1800 F Street, NW, Washington, DC 20405; or telephone (202) 501-0758. Please cite OMB Control No. 3090-0283, Temporary Contractor Information Worksheet.

SUPPLEMENTARY INFORMATION:

A. Purpose

The U.S. Government conducts criminal checks to establish that applicants or incumbents working for the Government under contract may have unescorted access to GSA-controlled facilities. GSA uses the Temporary Contractor Information Worksheet and the FBI Form FD-258 Fingerprint Card to conduct a FBI National Criminal Information Check (NCIC) for each temporary contractor (working on contract for six (6) months or less and require physical access only) on GSA contracts for American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) efforts to determine whether to grant unescorted access to GSA-controlled facilities. GSA is anticipating a large influx in temporary contractors due to the American Recovery and Reinvestment Act of 2009. GSA received one public comment during the 60-day comment period. In summary, the comment asked whether the information collected from the form could be collected using an existing form or was necessary to collect. GSA responded directly to the submitter by stating that the form: provides notifications and requests an authorizing signature from GSA temporary contractors on American Recovery and Reinvestment Act of 2009 (ARRA) that other existing forms do not include; requests only data that is required unlike other existing forms; and collects required GSA location, point of contact information not collected through other existing forms.

The Office of Management and Budget (OMB) Guidance M-05-24 for Homeland Security Presidential Directive (HSPD) 12 authorizes Federal departments and agencies to ensure that temporary contractors have limited/controlled access to facilities and information systems. GSA Directive CIO P 2181.1 Homeland Security Presidential Directive-12 Personal Identity Verification and Credentialing (available at <http://www.gsa.gov/hspd12>) states that GSA temporary

contractors must undergo a minimum of a FBI National Criminal Information Check (NCIC) to receive unescorted physical access. Temporary contractors' Social Security Number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 Numbering System for Federal Accounts Relating to Individual Persons also allows Federal agencies to use this number to help identify individuals in agency records. GSA describes how information will be maintained in the Privacy Act system of record notice published in the **Federal Register** at 73 FR 35690 on June 24, 2008.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare and Medicaid Services

[Document Identifier: CMS-10302]

Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

AGENCY: Center for Medicare and Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare and Medicaid Services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send

comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

We are, however, requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review because the collection of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR Part 1320(a)(2)(ii). This is necessary to ensure compliance with an initiative of the Administration. We cannot reasonably comply with the normal clearance procedures because use of the normal clearance procedures is reasonably likely to cause a statutory deadline to be missed, stated in 5 CFR 1320.13(a)(2)(iii). The Centers for Medicare and Medicaid Services (CMS) is requesting that an information collection request (ICR) for the Collection Requirements for Compendia for Determination of Medically-accepted Indications for Off-label Uses of Drugs and Biologicals in an Anti-cancer Chemotherapeutic Regimen, be processed under the emergency clearance process. Approval of this package is essential in order to comply with the section 182(b) of MIPPA amended Section 1861(t)(2)(B) of the Social Security Act (42 U.S.C. 1395x(t)(2)(B)).

1. *Type of Information Collection Request:* New collection; *Title of Information Collection:* Collection Requirements for Compendia for Determination of Medically-accepted Indications for Off-label Uses of Drugs and Biologicals in an Anti-cancer Chemotherapeutic Regimen *Use:* Congress enacted the Medicare Improvement of Patients and Providers Act (MIPPA). Section 182(b) of MIPPA amended Section 1861(t)(2)(B) of the Social Security Act (42 U.S.C. 1395x(t)(2)(B)) by adding at the end the following new sentence: 'On and after January 1, 2010, no compendia may be

included on the list of compendia under this subparagraph unless the compendia has a publicly transparent process for evaluating therapies and for identifying potential conflicts of interest.' We believe that the implementation of this statutory provision that compendia have a "publicly transparent process for evaluating therapies and for identifying potential conflicts of interests" is best accomplished by amending 42 CFR 414.930 to include the MIPPA requirements and by defining the key components of publicly transparent processes for evaluating therapies and for identifying potential conflicts of interests.

All currently listed compendia will be required to comply with these provisions, as of January 1, 2010, to remain on the list of recognized compendia. In addition, any compendium that is the subject of a future request for inclusion on the list of recognized compendia will be required to comply with these provisions. No compendium can be on the list if it does not fully meet the standard described in section 1861(t)(2)(B) of the Act, as revised by section 182(b) of the MIPPA. *Form Number:* CMS-10302 (OMB#: 0938-New); *Frequency:* Reporting, Recordkeeping and Third-party disclosure; *Affected Public:* Business and other for-profits and Not-for-profit institutions; *Number of Respondents:* 845; *Total Annual Responses:* 900; *Total Annual Hours:* 5,135. (For policy questions regarding this collection contact Brijet Burton at 410-786-7364. For all other issues call 410-786-1326.)

CMS is requesting OMB review and approval of this collection by *December 8, 2009*, with a 180-day approval period. Written comments and recommendations will be considered from the public if received by the individuals designated below by *November 30, 2009*.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS' Web Site address at: <http://www.cms.hhs.gov/regulations/prra> or E-mail your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov, or call the Reports Clearance Office on (410) 786-1326.

Interested persons are invited to send comments regarding the burden or any other aspect of these collections of information requirements. However, as noted above, comments on these information collection and recordkeeping requirements must be mailed and/or faxed to the designees
