SUPPLEMENTARY INFORMATION:

I. Abstract

The NASA Office of Education seeks a generic clearance to administer surveys through the Office of Education Performance Measurement (OEPM) system. Data Collection through the OEPM system will be used for reporting on Program Assessment Rating Tool (PART) measures, Program Analysis and Evaluation (PA&E), and answering Congressional inquiries about NASA education programs.

II. Method of Collection

Data collected will be primarily electronic. Teachers, students, and interested members of public who have attended or participated in NASA funded education events and activities will be sent an email with a link that, when clicked, will route the participant to the relevant survey.

At events where computers might not be available, a paper version of a select number of surveys will be available. Surveys will be scanned into the OEPM system through a fax machine or scanner.
