II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

In an effort to enhance participation on the Exchange and to offer increased liquidity to its Users,⁶ the Exchange proposes to add new transaction credits stemming from the use of Tracking Orders. The Exchange also proposes to cap monthly payments stemming from the use of Self Trade Prevention modifiers. These changes will be effective November 2, 2009. A more detailed description of the proposal follows.

Currently, there are no rates specifically related to the use of Tracking Orders.⁷ In order to incentivize the use of this order type and attract liquidity to NYSE Arca, the Exchange proposes to introduce three volume-based tiers, offering credits to all ETP Holders who use Tracking Orders that result in executions on the Exchange.

Tracking Order Tier 1 offers ETP Holders a credit of \$0.12 per 100 shares where their Tracking Orders result in executions on the Exchange with an average daily share volume ("ADV") per month greater than or equal to 5 million shares. In addition, the Exchange will offer ETP Holders a credit of \$0.15 per 100 shares for each Tracking Order that

results in an execution in excess of 15 million shares.⁸

Tracking Order Tier 2 offers ETP Holders a credit of \$0.10 per 100 shares where their Tracking Orders result in executions on the Exchange with an average daily share volume per month between 2.5 million shares and 4,999,999 shares.

Tracking Order Tier 3 offers ETP Holders a credit of \$0.05 per 100 shares where their Tracking Orders result in executions on the Exchange with an average daily share volume per month between 1 million shares and 2,499,999 shares.

In addition, the Exchange is proposing to cap the net payment of credits and fees stemming from an ETP Holder's use of Self Trade Prevention Modifiers⁹ at a net total of \$25,000 per month. This cap will apply uniformly to all ETP Holders.

The proposed changes to the Schedule are part of the Exchange's continued effort to attract and enhance participation on the Exchange, by offering attractive rates and rebates with volume-based incentives. By introducing these tiered credits, the Exchange is enhancing the incentive to participate on the Exchange through the use of Tracking Orders, as well as provide additional liquidity to the marketplace. The Exchange believes the proposed fees are reasonable and equitable in that they apply uniformly to all ETP Holders. The proposed changes will become operative on November 2, 2009.

Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 [sic] of the Securities Exchange Act of 1934 (the "Act"),¹⁰ in general, and Section 6(b)(4) of the Act,¹¹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The proposed changes to the Schedule are part of the Exchange's continued effort to attract and enhance participation on the Exchange, by offering attractive rates and rebates with volume-based incentives. The Exchange believes that the proposed changes to the Schedule are equitable in that they apply uniformly to all Users.

⁸ This incremental credit rebates ETP Holders \$.0012 for each share up to and including 15 million ADV, and \$0.0015 for each share in excess of 15 million ADV.

¹¹ 15 U.S.C. 78f(b)(4).

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹² of the Act and subparagraph (f)(2) of Rule 19b-4¹³ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Arca on its members.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34-60953; File No. SR-NYSEAmex-2009-75]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC To Clarify Specialist Obligations

November 6, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 22, 2009, NYSE Amex LLC ("NYSE Amex" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 927NY-Specialists by making technical changes designed to offer clarity to the rule. The text of the proposed rule change is attached as Exhibit 5 to the 19b-4 form. A copy of this filing is available on the Exchange's Web site at <http://www.nyse.com>, at the Exchange's principal office and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing by NYSE Amex is to revise the language in Rule 927NY-Specialists, in order to clarify certain provisions within the rule.

Specifically, the Exchange proposes to amend Rule 927NY(c)(3) by adding a reference Rule 925.1NY(b), in order to clarify Specialist obligations, as they pertain to continuous quoting. In its current form, Rule 927NY states that Specialists must provide continuous quotations in all appointed series. However, Rule 925.1NY(b) provides that Specialists must provide continuous quotations for 90% of the time the Exchange is open. To ensure that Specialist obligations contained in Rule 927NY are consistent with Rule 925.1NY, the Exchange proposes to add language to Rule 927NY(c)(3) in order to clarify that a Specialist needs to provide quotations in accordance with Rule 925.1NY(b).

The Exchange also proposes to delete Rule 927NY(c)(6). Under the structure of the Exchange's electronic trading systems, the automated execution

system referenced in Rule 927NY(c)(6) is part of the overall NYSE Amex electronic trading system. Whenever a Specialist provides electronic quotations to NYSE Amex, the Specialist automatically participates in the automatic execution system. It is not possible for a Specialist to submit quotes to the Exchange without being subject to the automatic execution system, nor is it possible to participate in the automatic execution system without submitting electronic quotes. Because participation in the auto-execution system is not optional, it is not appropriate to designate participation in it as an obligation. The Exchange proposes to reserve Rule 927NY(c)(6) for future use.

By clarifying its rules and abolishing out-dated language, the Exchange is not changing or altering any obligation, rights, policies or practices enumerated within its rules.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),³ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁴ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and Rule 19b-4(f)(6) thereunder.⁶ Because the proposed rule change does not: (i)
