

until July 31, 2009 (the "July filing").⁷ On August [sic] 31, 2009, the Exchange filed with the Commission a proposed rule change to further extend this temporary equity transaction fee until October 31, 2009 (the "October filing").⁸ Through this filing, the Exchange proposes to extend this equity transaction fee to be effective upon filing through January 31, 2010.

Prior to the January filing, the equity transaction fee was \$.0015 per share executed on the MatchPoint system. In the January filing, the Exchange proposed to adopt a scaled fee for MatchPoint users based on the average daily volume of shares executed during a calendar month through the MatchPoint system as follows:

Average daily volume of shares executed	Rate
50,000 shares or less ...	\$.0015 per share.
Over 50,000 to 499,999	\$.0010 per share.
500,000 and greater	\$.0005 per share.

The March, April, July and October filings proposed to continue this fee schedule.

The Exchange believes that the extension of the fee schedule through January 31, 2010 will continue to reward those who have been using the MatchPoint system for share execution, and will provide a continued incentive for new participants in MatchPoint.

2. Statutory Basis

The basis under the Securities Exchange Act of 1934 (the "Act")⁹ for the proposed rule change is the requirement under Section 6(b)(4) that an exchange have rules that provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes the fees are reasonable in that they carry forward a reduction in fees that the January filing established and that the March, April, July and October filings extended, and are equitable in that they are available to all members who access the MatchPoint system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A)¹⁰ of the Act and subparagraph (f)(2) of Rule 19b-4¹¹ thereunder, because it establishes a due, fee, or other charge imposed by the NYSE.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
