

benefitted from an export subsidy, we will instruct CBP to require an antidumping cash deposit or posting of a bond equal to the weighted-average amount by which the NV exceeds the U.S. price for TPCO, as indicated above, minus the amount determined to constitute an export subsidy. *See, e.g., Notice of Final Determination of Sales at Less Than Fair Value: Carbazole Violet Pigment 23 From India*, 69 FR 67306, 67307 (November 17, 2007).

We will instruct CBP not to suspend liquidation or require a cash deposit or the posting of a bond for imports of OCTG from the PRC exported and produced by Changbao, because we have calculated a margin of zero percent for Changbao.

In accordance with section 733(d) of the Act, we will instruct CBP to suspend liquidation of all entries of subject merchandise exported by the separate-rate respondents, in the exporter/producer combination identified above, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. We will instruct CBP to require a cash deposit or the posting of a bond equal to the weighted-average amount by which the NV exceeds U.S. price, as indicated above.

For the two separate-rate companies in this investigation that also participated as mandatory respondents in the CVD investigation (*i.e.*, Wuxi Seamless Oil Pipe Co., Ltd., and Zhejiang Jianli Co., Ltd. & Zhejiang Jianli Steel Tube Co., Ltd.), because it was determined in the *CVD Prelim.* that these companies did not benefit from any export subsidy, we will not make an adjustment to the antidumping duty rate of these companies for purposes of cash deposits.

For the remaining separate-rate companies, we will instruct CBP to adjust the dumping margin by the amount of export subsidies included in the All Other rate from the *CVD Prelim.*

Further, because we found critical circumstances with regard to the PRC-wide entity, we will instruct CBP to suspend liquidation of merchandise under consideration exported by the PRC-wide entity and entered or withdrawn from warehouse, for consumption commencing 90 days prior to the date of this preliminary determination, and we will instruct CBP to require an antidumping duty cash deposit or the posting of a bond for each entry.

These suspension of liquidation instructions will remain in effect until further notice.

International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary affirmative determination of sales at less than fair value. Section 735(b)(2) of the Act requires the ITC to make its final determination as to whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of certain OCTG, or sales (or the likelihood of sales) for importation, of the merchandise under investigation within 45 days of our final determination.

Certain Tissue Paper Products From the People's Republic of China: Extension of Time Limit for Preliminary Results of 2008-2009 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 17, 2009.

FOR FURTHER INFORMATION CONTACT: Brian Smith or Gemal Brangman, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-1766 or (202) 482-3773, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 27, 2009, the Department of Commerce (the Department) published in the **Federal Register** a notice of

initiation of administrative review of the antidumping duty order on certain tissue products from the People's Republic of China (PRC), covering the period March 1, 2008, through February 28, 2009. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 19042 (April 27, 2009). The preliminary results for this administrative review are currently due no later than December 1, 2009.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of the date of publication of an order for which a review is requested. If it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend this deadline to a maximum of 365 days.

In this administrative review, the petitioner placed on the record in a timely manner a large amount of information alleging that the respondent, Max Fortune Industrial Limited and Max Fortune (FETDE) Paper Products Co., Ltd. (collectively referred to as "Max Fortune"), has not reported (1) multiple affiliates involved in the production and/or sale of the subject merchandise exported to the United States during the POR; and (2) multiple unaffiliated suppliers of raw materials and converting services involved in the production of the subject merchandise exported to the United States during the POR.¹ Max Fortune subsequently placed a lengthy response submission on the record denying those allegations.² The Department requires additional time to review and analyze the data the petitioner and Max Fortune have placed on the record with regard to this issue. Furthermore, the Department requires additional time to obtain additional information from, and conduct verification of the questionnaire responses submitted by the other respondent in this case, Seaman Paper Asia Company Limited. Thus, it is not practicable to complete this review within the original time limit. Therefore, the Department is fully extending the time limit for completion of the preliminary results by 120 days

¹ See the petitioner's submission dated September 15, 2009.

² See the respondent's October 19, 2009, submission.

to 365 days, in accordance with section 751(a)(3)(A) of the Act. The preliminary results are now due no later than March 31, 2010. The final results continue to be due 120 days after publication of the preliminary results.

We are issuing and publishing this notice in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: November 10, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
