SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Report and Order, MB Docket No. 08-3,

adopted October 21, 2009, and released October 23, 2009. The full text of this Commission document is available for inspection and copying during normal business hours in the FCC Reference Information Center (Room CY-A257), 445 12th Street, SW., Washington, DC.

The Notice of Proposed Rule Making in this proceeding stated that Appaloosa Broadcasting Company's rulemaking petition was filed as part of a hybrid application and rulemaking proposal involving its concurrently filed minor change application (File No. BPH-20070822AAL). See 73 FR 4513, published January 25, 2008. In this application, Appaloosa proposes the substitution of Channel 245A for Channel 244C2 at Laramie, the realignment of Channel 245A to Nunn, Colorado, and the associated modification of its license for Station KIMX(FM). The modification of Laramie license is contingent upon the channel substitution at Wheatland. The Report and Order notes that Appaloosa's application is being granted simultaneously with the release of the Report and Order.

Channel 247A at Wheatland was allotted in MB Docket No. 05-98. See 71 FR 4527, published January 27, 2006. This vacant FM channel was inadvertently removed from the FM Table of Allotments in MB Docket 05-210. See 71 FR 76208, published December 20, 2006. As stated above, we are substituting Channel 286A for vacant Channel 247A at Wheatland, Wyoming, to accommodate the Station KIMX(FM) hybrid application.

Defense Federal Acquisition Regulation Supplement; Senior DoD Officials Seeking Employment With Defense Contractors (DFARS Case 2008-D007)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has adopted as final, without change, an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement section 847 of the National Defense Authorization Act for Fiscal Year 2008. Section 847 addresses requirements for senior DoD officials to obtain a post-employment ethics opinion before accepting compensation from a DoD contractor within two years after leaving DoD service.

DATES: *Effective Date:* November 19, 2009.

FOR FURTHER INFORMATION CONTACT: Ms. Amy Williams, Defense Acquisition Regulations System, OUSD (AT&L) DPAP (DARS), IMD 3D139, 3062 Defense Pentagon, Washington, DC 20301-3062. Telephone 703-602-0328; facsimile 703-602-7887. Please cite DFARS Case 2008-D007.

SUPPLEMENTARY INFORMATION:

A. Background

DoD published an interim rule at 74 FR 2408 on January 15, 2009, to implement section 847 of the National Defense Authorization Act for Fiscal Year 2008 (Pub. L. 110-181). Section 847 requires that a DoD official, who has participated personally and substantially in a DoD acquisition exceeding \$10 million or who has held a key acquisition position, must request a written opinion from a DoD ethics counselor before accepting compensation from a DoD contractor within two years after leaving DoD service. In addition, section 847 prohibits a DoD contractor from providing compensation to such a DoD official without first determining that the official has received or appropriately requested a post-employment ethics opinion.

One source submitted comments on the interim rule. That source supported the rule and its objectives, but recommended that the central database/repository for retention of written ethics opinions, required by section 847(b), be made publicly available. DoD has not adopted this recommendation, as section 847 does not authorize access to the database by the general public.

This rule was subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD certifies that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the requirement to verify that a prospective employee has received or requested the appropriate DoD ethics opinion should involve minimal effort on the part of a contractor.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
